Purpose.

Sometimes persons in residential areas request assistance reducing hazardous traffic conditions resulting from nonresidents competing with residents to park their vehicles in certain residential areas; to protect those residential areas from polluted air, excessive noise, and refuse caused by the entry of nonresident vehicles; to protect residents from unreasonable burdens in gaining access to their residences; to preserve the character of residential areas; to promote efficiency in maintaining streets in residential areas in a clean and safe condition; to preserve the value of the property in residential areas; to promote traffic safety and the safety of children and other pedestrians in residential areas; and to promote the peace, comfort convenience, and welfare of all residents of the County.

Establishment.

The Board hereby establishes Residential Parking Permit Areas in the areas more particularly described in Exhibit A as may be amended from time to time by motion of the Board of County Commissioners, attached hereto and incorporated herein.

Parking Without Permit Prohibited.

It shall be unlawful for any motor vehicle to be parked on a public street within the Residential Parking Permit Areas, more particularly described in Exhibit A, as directed by the signage installed by the Division of Engineering Services, unless the vehicle properly displays a parking permit authorized by this ordinance.

Posting of Signs.

The Division of Engineering Services shall post appropriate signs within the areas more particularly described in Exhibit A, advising motorists of the days and hours when motor vehicle parking within said area shall be prohibited except by permit.

It shall not be a defense that the Owner of the vehicle was not the person who placed the vehicle or allowed the vehicle to be placed in the restricted area(s) and such Owner shall be responsible for all violations involving the owner's vehicle(s). It shall not be a defense that an Official Traffic Control Device was not placed pursuant to a designated procedure so long as the location and nature of the restriction is clearly posted.

E. Resident permits shall be numbered and shall not be transferable from one residence or vehicle to another.

The penalty assessment procedure provided in C.R.S. § 16-2-201, may be followed by the arresting officer for any such violation of this ordinance. In the event that a violation of the Part II exists which is outside the scope of this Part III, the violations may be treated as two separate violations and two penalties may be assessed. The penalties prescribed in this Part III shall not preclude impound where appropriate pursuant to Part IV.

Defenses.

It shall be a defense that the area was not properly marked with the relevant restriction at the time the violation notice is issued. It shall further be a defense that the violation was the result of direction of a Law Enforcement Officer or at the direction of an Official Traffic Control Device.

Section 3. Commercial Vehicle Parking Restrictions**Purpose.**

It blocks access, creates undue noise, increases air pollution, obstructs views and, in general, detracts from the residential character of residential neighborhoods. This section is adopted in order to protect the residents' safety, the safety of children and other pedestrians in the residential neighborhood, and to promote the peace, and welfare of residents of the County.

Designated as Urban or Municipal Planning (Unincorporated) Areas.

It shall be unlawful for any person to violate any provision of this ordinance referenced herein. In any prosecution for any violation of this ordinance wherein the identity of the violator is in question (such as citations issued when the driver of the vehicle is not present), there shall be a rebuttable presumption that the violation was committed by the Owner of the motor vehicle or trailer in which the violation occurred. Any person who violates any of the provisions of this Section 3 commits a traffic infraction and is punishable with a maximum fine of \$1000 dollars.
- In accordance with this section, a penalty assessment may be issued and will carry a fine of \$100 plus applicable fees and surcharges for a first offense, \$100 plus applicable fees, and surcharges for a second offense, and \$100 plus applicable fees and surcharges for a third offense within a 365-day period. Any subsequent violations within the 365-days are subject to a mandatory court appearance and is not eligible for the option of a penalty assessment.
- This applies to all cases wherein the alleged violator acknowledges guilt or liability, is found guilty by a court of competent jurisdiction, or has judgment entered against him/her. If the penalty assessment procedure is not authorized and/or used, and the alleged offender is found guilty, court costs may be assessed in addition to the fine and penalties set forth above.

- The imposition of any penalty imposed pursuant to this Section shall not preclude impound where appropriate pursuant to Part IV.

Defenses.

It shall be a defense that the vehicle was parked on a street that is not within a highly urbanized area designated on Exhibit C at the time of the violation.
