Simulcast Project	2022993	870053.474350	\$ 1,864,682	<b>Motorola Solutions Inc</b> - The Simulcast Project was approved in December 2022, with final contracts being signed in early 2023. The project partnered with Denver Water for land use, which led to much of 2023 being used to identify suitable sites that met the needs of both parties. The final location has been solidified, equipment has been ordered, but the project has been stalled due to additional reports and work required by the US Forest Service in order to proceed. These items are being addressed in the first half of 2025 and the project will proceed.
