Dear Jill,

I am pleased to inform you that your application for the 2024 Denver Water – Forests to Faucets 3 Grant Program, Jackson Creek-Garber Creek Forest Restoration and Watershed Protection Project, has been approved for funding in the amount of **\$500,000.00**

To accept this award please review the enclosed Award Packet documents. If you agree with the requirements of the grant, please electronically sign the Project Award Notification and initial the Scope of Work where indicated. Be sure to retain a copy for your records. Please email a copy of the signed documents to: csfs_grants@colostate.edu and cc weston.toll@colostate.edu **prior to beginning project work**. If you are unable to electronically sign, please scan and email the original signed copies.

Your local CSFS Field Office Forester is Supervisory Forester, Spencer Weston, who can be reached at 303-660-9625 or spencer.weston@colostate.edu

Projects must be completed and certified by your CSFS Supervisory Forester no later than the close of business on **May 31, 2029**. The final reimbursement request with your signature and cost documentation must be received by the CSFS Supervisory Forester no later than **June 30, 2029**. Reimbursement procedures, cost documentation requirements, and final reporting requirements are described in the Project Award Notification.

Sincerely,

Weston Toll

CSFS Watershed Program Specialist
