This amendment ("Amendment") is entered into between the parties identified on the attached program signature form. It amends the Enrollment or Agreement identified above. All terms used but not defined in this Amendment will have the same meanings provided in that Enrollment or Agreement.

Enterprise Enrollment Credit for Unexpired SA and/or Prepaid Online Services Amendment ID M71

The parties agree that the Enrollment 48948366 is amended by adding the following provision:

Microsoft provides credit for unexpired Software Assurance and/or prepaid Online Services that are being renewed into the Enrollment from:

Enrollment Number	48948366

To receive unexpired Software Assurance and/or Online Services credit from multiple prior enrollments and/or agreements, a Previous Agreement/Enrollment Form for each such enrollment or agreement must be attached.

The inclusion of unexpired Software Assurance or Online Services credit in the Enrollment referenced above does not waive Enrolled Affiliate's responsibility to pay any outstanding or future invoices associated with the expiring agreement(s) and/or enrollment(s) referenced above.

This Amendment shall automatically terminate upon any termination or expiration of the Enrollment. In addition, Microsoft shall have the right to immediately terminate the Enrollment in the event of Enrolled Affiliate's Enrolled Affiliate breach of any obligation in this Amendment.

Except for changes made by this Amendment, the Enrollment or Agreement identified above remains unchanged and in full force and effect. If there is any conflict between any provision in this Amendment and any provision in the Enrollment or Agreement identified above, this Amendment shall control.

This Amendment must be attached to a signature form to be valid.

Insight Global Finance has a wide variety of flexible financing options and technology refresh solutions. Contact your Insight representative for an innovative approach to maximizing your technology and developing a strategy to manage your financial options.

This purchase is subject to Insight's online Terms of Sale unless you are purchasing under an Insight Public Sector, Inc. contract vehicle, in which case, that agreement will govern. Insight's online Terms of Sale can be found at the "terms-and-policies" link below.

SOFTWARE AND CLOUD SERVICES PURCHASES: If your purchase contains any software or cloud computing offerings ("Software and Cloud Offerings"), each offering will be subject to the applicable supplier's end user license and use terms ("Supplier Terms") made available by the supplier or which can be found at the "terms-and-policies" link below. By ordering, paying for, receiving or using Software and Cloud Offerings, you agree to be bound by and accept the Supplier Terms unless you and the applicable supplier have a separate agreement which governs.

HARDWARE PURCHASES: Tariffs imposed by the United States government on technology-related products may lead to cost increases for manufacturers and suppliers, who then pass these increases on to partners like Insight. Additionally, supply constraints, production delays, component shortages, and logistical pressures have contributed to cost increases and product shipment delays from manufacturers and suppliers. Insight is actively engaged with its contracting officials, suppliers, and partners to address these challenges. While we strive to honor initial price proposals and quotes, the fluid nature of the impact on manufacturer and supplier costs and product availability due to tariffs and supply disruptions could require a requote, subject to the contract terms if the purchase is being made under an Insight Public Sector, Inc. contract vehicle, before finalizing any subsequent or impacted proposals, quotes, and orders.
