SAVIO HOUSE**

**THIS MASTER SERVICES AGREEMENT** (“Agreement”) is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2025, by and between the **BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF DOUGLAS, STATE OF COLORADO** (the “County”), and **SAVIO HOUSE**, authorized to do business in Colorado (the “Contractor”). The County and Contractor are sometimes collectively referred to herein as the “Parties”.

**RECITALS**

**WHEREAS**, the County is undertaking certain activities in its role as the local Human Services Agency, in accordance with Colorado State laws and mandates; and

**WHEREAS**, the County released Request for Qualifications (RFQ) #043-22 *Human Services Client and Staff Services* and the Contractor responded; and

**WHEREAS**, the County selected the Contractor as a preferred vendor during the RFQ process; and

**WHEREAS**, the Contractor has the ability to assist the County through its professional expertise, knowledge, and experience and is ready, willing and able to provide such services, subject to the conditions hereinafter set forth.

**NOW, THEREFORE**, for and in consideration of the premises and other good and valuable consideration, the parties agree as follows:

**1. MASTER AGREEMENT SCOPE:** This Agreement shall provide general terms of engagement and obligations between Contractor and the County which shall apply to and control any Scope of Service Agreements (SOSA). The SOSA shall later provide and be limited to any specific Scope of Work and financial terms between the Contractor and the County.

Services provided by Contractor shall be defined by a separate Scope of Services Agreement (SOSA) that shall be approved independently but shall be incorporated by reference and subject to all the provisions of this Agreement.

The County may, from time to time, request changes to the scope of services provided in the SOSA. Such changes, including any increase or decrease in the amount of the Contractor’s compensation, which are mutually agreed upon between the County and Contractor, shall be in writing and shall become part of the SOSA upon execution.

**2. LINE OF AUTHORITY:** Ruby Richards, (the “Authorized Representative”) is designated the County representative for administering and clarifying the terms of this agreement for the County.

**3. MAXIMUM AGREEMENT LIABILITY:** Any other provisions of this Agreement notwithstanding, in no event shall the County be liable for any payments under this Agreement except as authorized in a fully executed SOSA and any payments stated in the SOSA shall be subject to the following:

Any other provision of this Agreement notwithstanding and pursuant to Section 29-1-110, C.R.S., any funds appropriated for this Agreement are for the fiscal year in which the SOSA is executed. In no event shall the County be liable for payment under this Agreement for any amount in excess thereof. The County is not under obligation to make any future apportionment or allocation to this Agreement nor is anything set forth herein a limitation of liability for Contractor. Any potential expenditure for this Agreement outside the fiscal year of the SOSA or subsequent SOSA is subject to future annual appropriation of funds for any such proposed expenditure.

**4. SUSPENSION AND DISBARMENT:** The County may not pay any vendor who is suspended or disbarred from receiving federal funds. The Contractor attests by virtue of executing this Contract that: a) it is not suspended or disbarred at the time services begin or Contract execution, b) it has no knowledge of or reason to believe suspension or disbarment is pending or forthcoming, c) it will report within three (3) business days to the Department any changes in items a or b; and d) it understands that it may be required to repay all funds received if the Department learns the Contractor was suspended or disbarred at any time during service delivery or while under Contract, or that the Contractor failed to report any pending or forthcoming suspension or disbarment.

**5. TERM:** It is mutually agreed by the parties that the term of this Agreement shall commence as of 12:01 a.m. on June 1, 2025 and terminate at 11:59 p.m. on May 31, 2028. This Agreement and any SOSA executed that references this Agreement shall be contingent upon annual funding being appropriated, budgeted and otherwise made available for such purposes and subject to the County's satisfaction with all products and services received during the preceding term.

**6. INVOICING PROCEDURES:** Payments shall be made to the Contractor based upon invoices submitted by the Contractor, provided such invoices have been approved by the Authorized Representative. Payments will be made to the Contractor within thirty (30) days, or within a mutually agreed upon period after County has received complete invoices from the Contractor. The County reserves the right to require such additional documentation, including monthly activity reports detailing the Contractor's activities and services rendered, as the County deems appropriate to support the payments to the Contractor. The signature of a Contractor Representative shall appear on all invoices certifying that the invoice has been examined and found to be correct.

**7. CONFLICT OF INTEREST:** The Contractor agrees that no official, officer or employee of the County shall have any personal or beneficial interest whatsoever in the services or property described herein, and the Contractor further agrees not to hire, pay, or contract for services of any official, officer or employee of the County. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the

Contractor by placing the Contractor's own interests, or the interest of any party with whom the Contractor has a contractual arrangement, in conflict with those of County.

**8. INDEMNIFICATION:** The County cannot and by this Agreement does not agree to indemnify, hold harmless, exonerate or assume the defense of the Contractor or any other person or entity whatsoever, for any purpose whatsoever. The Contractor shall defend, indemnify and hold harmless the County, its commissioners, officials, officers, directors, agents, and employees from any and all claims, demands, suits, actions or proceedings of any kind or nature whatsoever, including Workers' Compensation claims, in any way resulting from or arising from the services rendered under this Agreement; provided, however, that the Contractor need not indemnify or save harmless the County, its officers, agents and employees from damages resulting solely from the negligence of the County's commissioners, officials, officers, directors, agents, and employees.

**9. INDEPENDENT CONTRACTOR:** The Contractor is an independent contractor and is free to perform services for other clients. Notwithstanding any provision of this Agreement, all personnel assigned by the Contractor to perform work under this Agreement shall be and remain at all times, employees of the Contractor for all purposes. THE INDEPENDENT CONTRACTOR IS NOT ENTITLED TO WORKERS' COMPENSATION OR UNEMPLOYMENT BENEFITS THROUGH THE COUNTY AND IS OBLIGATED TO PAY FEDERAL AND STATE INCOME TAX ON ANY MONIES EARNED PURSUANT TO THE CONTRACT RELATIONSHIP.

**10. NO WAIVER OF GOVERNMENTAL IMMUNITY ACT:** The parties hereto understand and agree that the County, its commissioners, officials, officers, directors, agents and employees, are relying on, and do not waive or intend to waive by any provisions of this Agreement, , or any subsequent agreement subject to this Agreement, the monetary limitations or any other rights, immunities and protections provided by the Colorado Governmental Immunity Act, §§ 24-10-101 to 120, C.R.S., or otherwise available to the County.

**11. ASSIGNMENT:** The Contractor covenants and agrees that it will not assign or transfer its rights hereunder, or subcontract any work hereunder, either in whole or in part without the prior written approval of the Authorized Representative. Any attempt by the Contractor to assign or transfer its rights hereunder shall, at the option of the Authorized Representative, void the assignment or automatically terminate this Agreement, or any subsequent agreement subject to this Agreement, and all rights of the Contractor hereunder.

**12. COUNTY REVIEW OF RECORDS:** The Contractor agrees that, upon request of the Authorized Representative, at any time during the term of this Agreement, or three (3) years thereafter, it will make full disclosure to the County and make available for inspection and audit upon request by the Authorized Representative, the County Director of Finance, or any of their authorized representatives, all of its records associated with work performed under this Agreement, or any subsequent agreement subject to this Agreement, for the purpose of making an audit, examination or excerpts. The Contractor shall maintain such records until the expiration of three (3) years following the end of the term of this Agreement.

**13. OWNERSHIP OF DOCUMENTS:** Specifications, drawings, guidelines and any other documents prepared by the Contractor in connection with this Agreement, or any subsequent agreement subject to this Agreement, shall be the property of the County, except for documentation identified as the Contractor's pre-existing intellectual property.

The Contractor waives its rights to claim authorship of the works, to prevent its name from being used wrongly in connection with the works, and to prevent distortion of the works.

**15. TERMINATION:** The County shall have the right to terminate this Agreement, with or without cause, by giving written notice to the Contractor of such termination and specifying the effective date thereof, which notice shall be given at least ten (10) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies and reports prepared by the Contractor pursuant to this Agreement shall become the County's property. The Contractor shall be entitled to receive compensation in accordance with this Agreement and any subsequent SOSA for any satisfactory work completed pursuant to the terms of this Agreement prior to the date of notice of termination. Notwithstanding the above, the Contractor shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the Agreement by the Contractor.

**19. FOREIGN ENTITY:** The Contractor is a Foreign Entity if its business was formed in a different state. A Foreign Entity that transacts business or conducts activities in Colorado must be registered with the Colorado Secretary of State by filing a Statement of Foreign Entity Authority. A Foreign Entity shall not transact business or conduct activities with the County until its Statement of Foreign Entity Authority is filed in the records of the Colorado Secretary of State.

**20. COMPLIANCE WITH ALL LAWS AND REGULATIONS:** All of the work performed under this Agreement by the Contractor shall comply with all applicable laws, rules, regulations and codes of the United States and the State of Colorado. The Contractor shall also comply with all applicable ordinances, regulations, and resolutions of the County and shall commit no trespass on any public or private property in the performance of any of the work embraced by this Agreement. Consistent with the above, the parties will comply with, including but not limited to, all provisions of the Health Insurance Portability and Accountability Act (“HIPAA”) and Criminal Justice Information Services (“CJIS”) Security Policy when handling information that may fall under these statutes.

**21. SEVERABILITY:** In the event any of the provisions of this Agreement are held to be unenforceable or invalid by any court of competent jurisdiction, the validity of the

remaining provisions shall not be affected. Should either party fail to enforce a specific term of this Agreement it shall not be a waiver of a subsequent right of enforcement, nor shall it be deemed a modification or alteration of the terms and conditions contained herein.

**22. NO THIRD PARTY BENEFICIARIES:** The enforcement of the terms and conditions of this Agreement and all rights of action relating to such enforcement, shall be strictly reserved to the County and the Contractor, and nothing contained in this Agreement shall give or allow any such claim or right of action by any other or third person under such Agreement.

**23. ADVERTISING AND PUBLIC DISCLOSURE:** The Contractor may include reference to this Contract in a broad description of the services provided. Outside of this broad description, the Contractor shall not include any detailed discussion of clients or cases served under this Contract in any advertising or public relations materials without first obtaining the written approval of the Douglas County Director of Communication and Public Affairs. Nothing herein, however, shall preclude the transmittal of any information to officials of the County, including without limitation, the County Manager, the Assistant County Manager, and the Board of County Commissioners.

**24. HEADINGS; RECITALS:** The headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement. The Recitals to this Agreement are incorporated herein by this reference.

**25. ENTIRE AGREEMENT:** The parties acknowledge and agree that the provisions contained herein constitute the entire agreement and that all representations made by any commissioner, official, officer, director, agent or employee of the respective parties unless included herein are null and void and of no effect. No alterations, amendments, changes or modifications to this Agreement, except those which are expressly reserved herein to the Authorized Representative, shall be valid unless they are contained in writing and executed by all the parties with the same formality as this Agreement.

**26. CONFLICT WITH EXHIBITS:** If any Exhibit to this Contract, conflicts with the express terms of the Contract proceeding the Parties signatures, for the purpose of interpretation and enforcement the express terms of the contract are superior, supersede, and prevail.

**27. INSURANCE:** The Contractor shall be required to maintain the insurance requirements provided in Exhibit B, attached hereto and incorporated herein by reference. The Contractor shall provide evidence that such requirements have been met and shall provide updated information to the County in the event any changes are made to the Contractor's insurance coverage during the term of this Agreement.

**28. COUNTY EXECUTION OF AGREEMENT:** This Agreement is expressly subject to and shall not be or become effective or binding on the County, until execution by all signatories of the County.

**29. CONFIDENTIALITY OF INFORMATION:** Both parties understand and agree that data, materials, and information disclosed by a party to the other party may contain confidential, trade secret and/or protected information. To the extent permitted by law and except as required by the Open Records Act, each party covenants that data, material and information gathered, based upon or disclosed for the purpose of this Agreement, will not be disclosed to or discussed with third parties without prior disclosure to the other party if and when the circumstances allow.

In addition, the Contractor shall: a) employ acceptable security standards; and b) immediately notify County of any breach of data containing personal identifiable information as defined in the Colorado Revised Statutes

**31. RISKS AND MITIGATIONS:** The Parties acknowledge and agree that risks associated with personnel and the actions of those personnel remain wholly with the employer of the personnel. The Parties acknowledge and agree that the nature of the services and work products produced under this Agreement is such that risks related to the services and work products are small when the services and work products conform to specifications. Douglas County shall specify the services and work products and shall describe acceptance criteria by which the services and work products will be determined to have met specifications. The Contractor shall apply standards and diligence to ensure that services and work products conform to specifications and meet acceptance criteria. Specifications and acceptance criteria shall be documented in an Exhibit A Scope of Services Agreement under this Master Services Agreement.

**32. DISPUTES:** Without limiting, or diminishing in any way, the County's ability to cancel without reason by providing Ten days' notice, or any other provisions therein, as set forth in Section 14, should any disputes arise with respect to this Agreement or referencing SOSA, the Contractor and the County agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes. Both Parties agree to give best efforts to resolve disputes amicably whenever possible. As such, the Parties will try to resolve disputes at the lowest level possible, starting with each Party's Authorized Representative. Disputes can be elevated when appropriate to higher level decision makers if and as deemed appropriate under the circumstances. The Contractor and the County agree that, the existence of a dispute notwithstanding, each party will continue without delay to carry out all of its respective responsibilities under this Agreement that are not affected by the dispute. In the event the grievance cannot be resolved to the mutual satisfaction of the parties within a mutually agreed upon timeframe, the parties may mutually agree to submit the dispute to mediation. The County may withhold payments on disputed items pending resolution of the dispute. The unintentional non-payment by the County to the Contractor of one or more invoices not in dispute in accordance with the terms of this Agreement will not be cause for Contractor to terminate this Agreement.

**33. FORCE MAJEURE:** In the event that either party is unable to perform any of its obligations under this Agreement or referencing SOSA or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a “Force Majeure Event”), the party who has been so affected shall immediately give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Agreement shall be immediately suspended. If the period of non-performance exceeds thirty (30) calendar days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Agreement.

**34. PRIORITY OF PROVISIONS:** In the event that any terms of this Agreement and any Exhibit, attachment, or other referenced document are inconsistent, the following order of priority shall control:

- 1<sup>st</sup> This Agreement, Sections 1 through 36
- 2<sup>nd</sup> Exhibit A – SOSA- Core Services and subsequent agreements and amendments (inclusive of Exhibit 1- Exhibit 5)

**EXHIBIT A**  
**SCOPE OF SERVICES AGREEMENT 2025-2026**  
**SAVIO HOUSE-CORE**

**THIS SCOPE OF SERVICES AGREEMENT** (“SOSA”) is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_ 2025, by and between the **BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF DOUGLAS, STATE OF COLORADO** (the “County”), and **SAVIO HOUSE**, authorized to do business in Colorado (the “Contractor”). The County and Contractor are sometimes collectively referred to herein as the “Parties”.

**WHEREAS**, the County has an active Master Services Agreement, (the “MSA”) with the Contractor to perform services for the County governed and executed through Scope of Services Agreements (SOSA); and

**WHEREAS**, the County is undertaking certain activities in its role as the local Human Services Agency, in accordance with Colorado State laws and mandates; and

**WHEREAS**, the County has budgeted and appropriated the necessary funds to satisfy the financial obligations set forth in this SOSA.

**NOW, THEREFORE**, for and in consideration of the premises and other good and valuable consideration, the parties agree as follows:

1. **MASTER SERVICES AGREEMENT:** This SOSA is subject and subordinate to the terms and conditions specified in the MSA, executed between the County and Contractor on March \_\_\_\_, 2025.
2. **SCOPE OF WORK:** All services described in Exhibit 1, attached hereto and incorporated herein, shall be performed by Contractor.
3. **MAXIMUM CONTRACT LIABILITY:** Any other provisions of this SOSA notwithstanding and pursuant to Section 29-1-110, C.R.S., the amount of funds appropriated for this Contract is Two Hundred Thousand Dollars (\$200,000.00) for the Term. Payment terms are as described in Exhibit 2. The County is not under obligation to make any future apportionment or allocation to this SOSA. Any potential expenditure for this SOSA outside the current fiscal year is subject to future annual appropriation of funds for any such proposed expenditure.

Federal rule prohibits entities from supplanting, i.e., replacing or substituting, state or local funds with federal funds. Therefore, if the Contractor is already receiving state or local funds for a specific purpose described in Exhibit 1, the Contractor attests by virtue of executing this Public Contract for Services that they will not now use payments made under this Contract (which include federal funds) to cover costs related to those services that were previously covered by state or local funds. Federal funds may be used to supplement existing state or federal funds, but not replace them.

The Contractor will make reasonable efforts to review requirements to become a Medicaid provider and invoice all Medicaid services accordingly should they become a Medicaid

provider. The Contractor will reimburse the Department for any funds paid by the Department for a service previously or subsequently paid for by Medicaid.

In the event that third-party payment is available for any service described in Exhibit 1 and the Contractor agrees to accept that payment, said compensation is payment in full. The Contractor will not subsequently invoice the County for any shortfall in third-party payments. Examples of third-party payors include Medicaid or Children's Health Plan from any state, private health insurance, victim's compensation, trust fund or disability trust, or settlement. Amounts paid by third-parties do not count against the Maximum Contract Expenditure.

In select circumstances if the Contractor accepts private insurance for a service described in Exhibit 1 and as mutually agreed upon between the Contractor and the County, should a client co-pay or deductible be due to the Contractor, the County will pay the client's co-pay and/or deductible. Such payments do count against the Maximum Contract Expenditure. Prior to this being considered, the Contractor agrees to verify allowable covered benefits, co-pays, and/or deductibles. The County will provide written approval should this circumstance be approved.

4. **TERM:** It is mutually agreed by the parties that the term of this SOSA shall commence as of 12:01 a.m. on June 1, 2025 and terminate at 11:59 p.m. on May 31, 2026. This SOSA and/or any extension of its original term shall be contingent upon annual funding being appropriated, budgeted and otherwise made available for such purposes and subject to the County's satisfaction with all products and services received during the preceding term.
5. **COUNTY EXECUTION OF AGREEMENT:** This SOSA is expressly subject to and shall not be or become effective or binding on the County, until execution by all signatories of the County.

**Additional Insured Status.** The County, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor’s insurance (at

least as broad as ISO Form ISO CG 20 01 04 13 or **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used).

**Primary Coverage.** For any claims related to this contract, the Contractor's insurance coverage shall be primary insurance. Any insurance or self- insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess and non-contributory to the Contractor's insurance.

**Notice of Cancellation.** Each insurance policy required above shall state that coverage shall not be canceled, except with a 30-day notice to the County.

**Waiver of Subrogation.** The Contractor hereby grants to the County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. The Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether the County has received a waiver of subrogation endorsement from the insurer.

**Self-Insured Retentions, Deductibles and Coinsurance.** The Contractor agrees to be fully and solely responsible for any costs or expenses as a result of a coverage deductible, coinsurance penalty, or self-insured retention. The County may require the Contractor to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the County. The Contractor will indemnify the County, in full, for any amounts related to the above.

**Acceptability of Insurers.** Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the County.

**Claims Made Policies.** If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown and must be before the date of the Contract or the beginning of Contract work.
2. Insurance must be maintained, and evidence of insurance must be provided for at least three (3) years after completion of the Contract of work.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the Contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of three (3) years after completion of Contract work.

**Verification of Coverage.** The Contractor shall furnish the County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be

received and approved by the County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The County reserves the right, but not the obligation, to review and revise any insurance requirement, not limited to limits, coverage, and endorsements. Additionally, the County reserves the right, but not the obligation, to review and reject any insurance policies failing to meet the criteria stated herein. Failure on the part of the Contractor to provide insurance policies within ten (10) working days of receipt of the written request will constitute a material breach of contract upon which the County may immediately terminate this Contract.

The completed certificates of insurance with additional insured endorsements and waivers of subrogation and any notices, within twenty (20) days of cancellation, termination, or material change will be sent via mail or e-mail to:

**Subcontractors.** The Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and the Contractor shall ensure the County is an additional insured on insurance required from subcontractors.

**Failure to Procure or Maintain Insurance.** The Contractor will not be relieved of any liability, claims, demands, or other obligations assumed by its failure to procure or maintain insurance, or its failure to procure or maintain insurance in sufficient amounts, durations, or types. Failure on the part of the Contractor to procure or maintain policies providing the required coverage, conditions and minimum limits will constitute a material breach of contract upon which the County may immediately terminate this Contract.

**Governmental Immunity.** The Parties hereto understand and agree that the County is relying on and does not waive or intend to waive by any provision of this Contract, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. §§ 24-10-101 *et seq.* as from time to time amended, or otherwise available to the County, its commissioners, officers, officials, employees or volunteers.

**Special Risks or Circumstances.** The County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
