This order is governed by the General Terms set out at www.broadcom.com/company/legal/licensing.

Insight Global Finance has a wide variety of flexible financing options and technology refresh solutions. Contact your Insight representative for an innovative approach to maximizing your technology and developing a strategy to manage your financial options.

This purchase is subject to Insight's online Terms of Sale unless you are purchasing under an Insight Public Sector, Inc. contract vehicle, in which case, that agreement will govern.

SOFTWARE AND CLOUD SERVICES PURCHASES: If your purchase contains any software or cloud computing offerings ("Software and Cloud Offerings"), each offering will be subject to the applicable supplier's end user license and use terms ("Supplier Terms") made available by the supplier or which can be found at the "terms-and-policies" link below. By ordering, paying for, receiving or using Software and Cloud Offerings, you agree to be bound by and accept the Supplier Terms unless you and the applicable supplier have a separate agreement which governs.

HARDWARE PURCHASES: Tariffs imposed by the United States government on technology-related products may lead to cost increases for manufacturers and suppliers, who then pass these increases on to partners like Insight. Additionally, supply constraints, production delays, component shortages, and logistical pressures have contributed to cost increases and product shipment delays from manufacturers and suppliers. Insight is actively engaged with its contracting officials, suppliers, and partners to address these challenges. While we strive to honor initial price proposals and quotes, the fluid nature of the impact on manufacturer and supplier costs and product availability due to tariffs and supply disruptions could require a requote, subject to the contract terms if the purchase is being made under an Insight Public Sector, Inc. contract vehicle, before finalizing any subsequent or impacted proposals, quotes, and orders. Insight will not finalize any transaction involving a requote without the client's written consent.

Insight's online Terms of Sale can be found at the "terms-and-policies" link below.

NON MAINFRAME REPORTING

Software from the VMWare Cloud Foundation business unit ("VCF Software") shall require, when explicitly noted in the applicable SPD, Customer to provide Broadcom with a regularly-scheduled verified report detailing Customer's installed base and license compliance for such VCF Software using the format and process specified by Broadcom from time to time ("Compliance Report"). In order to fulfill such reporting requirements, Customer must ensure that the Compliance Report files generated by the applicable VCF Software are either transmitted by the software or uploaded by Customer on the schedule required in the SPD and in accordance with the product Documentation. The VCF Software Documentation and SPD set forth any impacts to the product functionality or other consequences of Customer's failure to transmit or upload a timely, unaltered Compliance Report. Customer assumes any and all risks associated with the loss of any and all functionality and access to updates, upgrades and patches when caused by Customer's failure to provide timely, unaltered Compliance Reports. Furthermore, Customer agrees that starting ten (10) business days from the date that a Compliance Report becomes overdue, Broadcom shall have the additional right to conduct a license compliance audit by giving Customer five (5) days' prior written notice. In the event of such audit, Customer shall promptly allow access to all systems and records necessary for a full and complete audit of Customer's use of the VCF Software, whether remotely or at Customer's facilities, and Customer shall pay for all reasonable costs and expenses incurred by Broadcom in the enforcement and carrying out of this audit right. Customer understands and agrees that the submission of Compliance Reports and the cooperation with Broadcom's audit rights are material provisions of this Agreement and that these reporting and audit rights are in addition to all other similar rights and remedies agreed to between the parties.

End User hereby authorizes Broadcom to make necessary transfers of Personal Data and that any Broadcom Affiliates and subcontractors may process such Personal Data for the purposes of providing the Broadcom Offering contemplated under the End User Terms.
