WHEREAS, the Contractor has the ability to assist the County through its professional expertise, knowledge, and experience and is ready, willing, and able to provide such services, subject to the conditions hereinafter set forth.

NOW, THEREFORE, for and in consideration of the premises and other good and valuable consideration, the Parties agree as follows:

1. LINE OF AUTHORITY: Brian Franklin, (the “Authorized Representative”), is designated as the Authorized Representative of the County for the purpose of administering, coordinating, and approving the work performed by the Contractor under this Contract.

2. SCOPE OF SERVICES: All services described in Exhibit A, attached hereto and incorporated herein, shall be performed by the Contractor.

The County may, from time to time, request changes to the scope of services to be performed hereunder. The Contractor agrees to diligently and professionally perform all the services described herein in a manner satisfactory to the Authorized Representative. It is also understood and agreed that the Contractor shall not, in performing services hereunder, undertake any action or activity prohibited by the terms of any lease, permit, license or other agreement in effect during the Term hereof between the Contractor and the County for the use and occupancy by the Contractor of any County facilities or space.

In such event, all finished or unfinished documents, data, studies and reports prepared by the Contractor pursuant to this Contract shall become the County's property. The Contractor shall be entitled to receive compensation in accordance with this Contract for any satisfactory work completed pursuant to the terms of this Contract prior to the date of notice of termination. Notwithstanding the above, the Contractor shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the Contract by the Contractor.

Additional Insured Status. The County, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor’s insurance (at least as broad as ISO Form CG 20 10 11 85 or **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used).

Primary Coverage. For any claims related to this contract, the Contractor’s insurance coverage shall be primary insurance. Any insurance or self- insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess and non- contributory to the Contractor’s insurance.

Notice of Cancellation. Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the County.

Waiver of Subrogation. The Contractor hereby grants to the County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. The Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether the County has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions, Deductibles and Coinsurance. The Contractor agrees to be fully and solely responsible for any costs or expenses as a result of a coverage deductible, coinsurance penalty, or self-insured retention. The County may require the Contractor to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the County. The Contractor will indemnify the County, in full, for any amounts related to the above.

Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the County.

Claims Made Policies. If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown and must be before the date of the Contract or the beginning of Contract work.
2. Insurance must be maintained, and evidence of insurance must be provided for at least three (3) years after completion of the Contract of work.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the Contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of three (3) years after completion of Contract work.

Verification of Coverage. The Contractor shall furnish the County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The County reserves the right, but not the obligation, to review and revise any insurance requirement, not limited to limits, coverage, and endorsements. Additionally, the County reserves the right, but not the obligation, to review and reject any insurance policies failing to meet the criteria stated herein. Failure on the part of the Contractor to provide insurance policies within ten (10) working days of receipt of the written request will constitute a material breach of contract upon which the County may immediately terminate this Contract.

The completed certificates of insurance with additional insured endorsements and waivers of subrogation and any notices, within twenty (20) days of cancellation, termination, or material change will be sent via mail or e-mail to:

Douglas County Government
Attn: Risk Management
100 Third Street
Castle Rock, Colorado 80104
risk@douglas.co.us

Subcontractors. The Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and the Contractor shall ensure the County is an additional insured on insurance required from subcontractors.

Failure to Procure or Maintain Insurance. The Contractor will not be relieved of any liability, claims, demands, or other obligations assumed by its failure to procure or maintain insurance, or its failure to procure or maintain insurance in sufficient amounts, durations, or types. Failure on the part of the Contractor to procure or maintain policies providing the required coverage, conditions and minimum limits will constitute a material breach of contract upon which the County may immediately terminate this Contract.

Governmental Immunity. The Parties hereto understand and agree that the County is relying on and does not waive or intend to waive by any provision of this Contract, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. §§ 24-10-101 *et seq.* as from time to time amended, or otherwise available to the County, its commissioners, officers, officials, employees or volunteers.

Special Risks or Circumstances. The County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

IN WITNESS WHEREOF, the County and the Contractor have executed this Contract as of the above date.
