Profiling Policy Attachment

Please provide a copy of your agency's profiling policy pursuant to C.R.S. 24-31-309.

The policy may be copy/pasted in the space below or attached as a separate document and submitted with this application.

P&P-B-101 Racial/Bias Based Profiling/Policing

I. RELEVANT STATUTES

24-31-309 C.R.S. Profiling – officer identification – training – definition

II. PURPOSE

To provide guidelines for uniformed members to prevent racial or biased profiling or policing.

III. DEFINITION OF TERMS

Reasonable Belief

Having knowledge of facts, which, although not amounting to direct knowledge, would cause a reasonable officer, knowing the same facts, to reasonably conclude the same thing.

Reasonable Suspicion

That quantity of proof or evidence that is more than a hunch but less than probable cause. Reasonable suspicion must be based on the officer's observation or specific and objective facts, and any rationally derived inferences from those facts about the conduct of an individual that would lead a reasonable officer to suspect that the individual may be committing is about to commit or has committed a crime.

Probable Cause

Exists when a set of facts or circumstances based on reliable information, personal knowledge, or observation by an officer, reasonably shows and would lead an ordinarily prudent person to believe that a particular person has committed an offense, or that certain items are connected with a crime and therefore may be seized or searched.

Contact

The act of communication between a person and a law enforcement officer in which the officer does not use his authority (express or implied) or any physical force to restrict that person's freedom of movement. A contact does not require reasonable suspicion for its justification.

Stop

Occurs when a law enforcement officer uses his authority (express or implied) to temporarily detain a person based on reasonable suspicion that the individual may be committing, has committed, or is about to commit a crime.

Racial

Pertaining to a group of people classified together based on their common history, ethnicity, and culture.

Racial / Biased Profiling

The practice of relying solely on race, ethnicity, gender, national origin, language, religion, sexual orientation, gender identity, age, or disability in determining the existence of probable cause to place an individual in custody or reasonable suspicion to detain or conduct an investigatory stop of a vehicle, or determining the scope, substance, or duration of an investigation.

IV. POLICY

This Office's policy is that every uniformed member shall be educated on the issue of racial / bias-based profiling/policing. Racial/bias-based profiling is a form of illegal discrimination and is strictly prohibited. <LE 1.2.9a> This Office will take a proactive approach to address these issues and investigate any profiling allegations from members of the Office or citizens. The Office will complete a documented annual administrative review of this policy (PP-B-101), and the agency's activities with potential for bias to include, but not limited to, traffic and field contacts, asset forfeiture efforts, citizen complaints and any corrective measures taken, with agency member names omitted.

V. PROCEDURE

A. Traffic Enforcement

1. Motorists shall only be subjected to stops, seizures, or detentions upon probable cause for arrest or reasonable suspicion. (Traffic stops will be made in accordance with the Patrol Standard Operating Procedures).
2. In the absence of a specific, credible report that includes many descriptors of a specific suspect, no racial or bias descriptors or combination of bias descriptors shall be used to determine probable cause for an arrest or reasonable suspicion for a stop. The exception would be if members are instructed to be on the lookout for one or more specific suspects who have been identified or described in part by age, race, ethnicity, gender, or national origin. A member may consider and rely on such information in determining whether there is reasonable articulable suspicion to believe a given individual is the person being sought.
3. In compliance with Section 24-31-309(4)(a) C.R.S. Profiling – officer identification – training – definition, a deputy will provide his business card to any citizen who is stopped and not issued a citation or arrested. The card will minimally contain the deputy's name, assignment, employee identification number, and an appropriate telephone number for the Sheriff's Office. Appropriate enforcement action should always be completed, generally in the form of a warning, citation, or arrest.
4. No motorist, once cited or warned, shall be detained beyond the point where no reasonable suspicion of further criminal activity exists (the exception to this rule is voluntary consent to search given by the motorist).
5. Search and seizures will be conducted in accordance with the Patrol Standard Operating Procedures.

B. Training

1. The Training Unit shall develop and deliver annual training for all staff specifically designed to address racial / biased-based profiling / policing and include legal aspects. The Training Unit shall also develop and deliver remedial training to identified members when requested by a member of Command Staff.
2. Training programs will emphasize the need to respect the rights of all citizens to be free from unreasonable government intrusion or police action, and will include an examination of the patterns, practices, and protocols that prevent biased based policing.
3. Traffic enforcement, citizen contacts, and any asset seizure and forfeiture effort will be accompanied by consistent, ongoing supervisory oversight to ensure that deputies do not exceed the parameters of reasonableness in conducting such activities.
4. Initial anti-bias training, to include legal aspects, is required for all new employees, prior to assignment. All new employees will receive this training during the onboarding process. Deputies will also receive annual training in proactive enforcement tactics, including training in officer safety, courtesy, cultural diversity, laws governing search and seizure, and interpersonal communications skills.

C. Complaints of Racial / Biased-Based Profiling / Policing

1. Any person may file a complaint with the Office if they feel they have been stopped, detained, or searched based on racial/bias-based profiling. No person shall be discouraged, intimidated, or coerced into not filing such a complaint, or discriminated against because they have filed such a complaint.
2. Any deputy contacted by someone who wishes to file a complaint shall refer the complainant to a supervisor or Professional Standards. (Complaints will be handled in accordance with Office Policy and Procedures).
3. Supervisors shall review complaints on traffic enforcement and citizen contacts and respond, at random, to back-up deputies on these stops, if the complaint is in progress. Supervisors shall take appropriate action when this policy is being violated, being cognizant of any pattern or practice of possible discriminatory treatment by individuals or teams. Personnel determined to have conducted or participated in bias-based profiling will be subject to counseling or discipline and remedial training.
4. In accordance with 24-31-309(4)(c) C.R.S. Profiling – officer identification – training – definition, The Internal Affairs Commander, or their designee, will provide statistical information on complaints received by the Sheriff's Office alleging racial / biased based profiling to any member of the public upon request.
