I. SCOPE OF WORK; APPROVED BUDGET; AND PROVISIONS

1.01 Scope of Work. In the event any provisions contained in this Agreement and/or the Scope of Work conflict with the terms of the DRCOG Contract, the DRCOG Contract shall be controlling. The Scope of Work describes the activities to be completed by the Sub Grantee and includes milestones and completion dates. All Scope of Work activities must be consistent with the approved Scope of Work, including the budget. Any proposed change in the

Scope of Work must be submitted to the County's Project Manager for written approval. A change in the Scope of Work is not effective until the Sub Grantee receives written approval from the County.

1.02 Approved Budget. The Sub Grantee agrees to complete the Scope of Work in accordance with the approved budget set forth in **Exhibit 1**.

1.03 Provisions. The Sub Grantee agrees to comply with all provisions in this Agreement including all exhibits.

II. AUTHORIZED USE OF GRANT FUNDS; ELIGIBILITY OF COSTS

2.01 Authorized Use of Grant Funds. The Sub Grantee is only authorized to use the grant funds awarded under this Agreement for cost directly incurred for the Scope of Work activities during the Project Activity Period as specified in **Exhibit 1**. The Sub Grantee shall administer services funded through this Agreement in accordance with the Older Americans Act; all applicable provisions of the Colorado Revised States; 12 CCR 2510-1, Older Americans Act (OAA) Programs (Rule Manual Volume 10); Colorado Department of Human Services, Division of Aging and Adult Services, State Unit on Aging (SUA) Policy and Procedures Manual; and the DRCOG Contract Management Manual, as may be amended from time to time. 2.02 Eligibility of Costs. All expenses are subject to DRCOG regulations including, but not limited to:

- All applicable provisions of 2 CFR part 200, 2 CFR part 300 and 45 CFR part 74 and 45 CFR, Part 92 regarding uniform requirements for the administration of Department of Health and Humans Services (HHS) grants and principles for determining costs applicable to activities assisted by HHS grants.

All expenses are also subject to the provisions outlined in the DRCOG Contract.

III. AWARD AMOUNT, MATCH, AND PAYMENT

3.01 Project Amount. The total budget of this Scope of Work is **\$161,840.00**.

3.02 Maximum Grant Amount. The County awards to the Sub Grantee a grant of **\$161,840.00** ("Maximum Grant Amount") to complete approximately **4,624 units (one-way trips) of assisted transportation services** as outlined in the Scope of Work. In no event will the County's obligation under this Agreement be more than the Maximum Grant Amount. The County shall bear no responsibility for cost overruns that may be incurred by the Sub Grantee in the performance of the Scope of Work.

3.03 Local Match. A local match from the County is required for this operating grant. This requirement will be covered through the County's general fund budget. The local match shall not increase the Maximum Grant Amount.

3.04 Reimbursement Contingent Upon the Availability of the Local Match. Reimbursement is subject to and contingent upon the continuing availability of the required local match. The parties hereto expressly recognize that the Sub Grantee is to be paid, reimbursed, or otherwise compensated with funds provided to the County by DRCOG that are contingent upon the availability of the required local match. If, for whatever reason, the local match is insufficient, the County is only required to reimburse the Sub Grantee from such funds or any part thereof that are received from DRCOG based on the local match provided.

3.05 Reimbursement. Expenses will be reimbursed by the County for 100 percent of all eligible costs which have been paid to the County by DRCOG. Invoiced expenditures with all required documentation must be submitted to the Project Manager no later than the fifth day of the following month in order to be reimbursed for expenses from the previous month. Sub Grantees must use the approved forms and submit all required documentation as specified.

Sub Grantees shall submit any additional data or other information requested by the County to support the Sub Grantee's reimbursement request and shall submit any additional data or information that may be required by the federal government for reporting to DRCOG and the State of Colorado.

Upon the County's review and approval of the Sub Grantee's reimbursement request, the County will distribute to the Sub Grantee the approved reimbursement amount. The County may deny part, or all, of any reimbursement request if it believes that it is not a supportable Scope of Work expense. No reimbursement will be made which would cause the distribution of grant funds to exceed, cumulatively, such payment limits in Section 3.02. The County may withhold payment if the Sub Grantee is not current in its reporting requirements under Article V. Distribution of any funds or approval of any report is not to be construed as a County waiver of any Sub Grantee noncompliance with this Agreement.

3.06 Repayment of Unauthorized Use of Grant Funds. Upon a finding by the County that the Sub Grantee has made unauthorized or undocumented use of grant funds, and upon a demand for repayment issued by the County, the Sub Grantee agrees to promptly repay such amounts to the County.

3.07 Reversion of Unexpended Grant Funds. All funds granted by the County under this Agreement that have not been expended for Scope of Work activities taking place during the Project Activity Period, as defined in Section 6.01 below, shall revert back to DRCOG. Sub Grantee must meet the timeframes outlined in the County's agreement with DRCOG.

3.08 Grant Contingent upon State or Federal Funding. This Agreement is subject to and contingent upon the continuing availability of State Older Coloradan's funds, or Federal Older Americans' Act funds for the purposes

thereof. The parties hereto expressly recognize that the Sub Grantee is to be paid, reimbursed, or otherwise compensated with funds provided to the County by DRCOG. DRCOG receives these funds from the State of Colorado, State Funding for Senior Services, or the Federal Older Americans' Act, and therefore, the Sub Grantee expressly understands and agrees that all its right, demands, and claims to compensation arising under this Agreement are contingent upon receipt of such funds from DRCOG. In the event that such funds or any part thereof are not received from DRCOG, the County may immediately terminate this Agreement without liability, including liability for termination costs.

IV. ACCOUNTING AND RECORDKEEPING REQUIREMENTS

4.01 Documentation of Scope of Work Costs. All Scope of Work expenses must be supported by proper documentation, including properly executed payrolls, effort reporting or time records, invoices, contracts, receipts for expenses, or vouchers, evidencing in detail the nature and propriety of the charges.

4.02 Establishment and Maintenance of Scope of Work Information. The Sub Grantee agrees to establish and maintain accurate, detailed, and complete separate books, accounts, financial records, documentation, and other evidence relating to (a) Sub Grantee's performance under this Agreement, and (b) the receipt and expenditure of all grant funds and the Sub Grantee's match documentation (if required) under this Agreement. The Sub Grantee shall establish and maintain all such information in accordance with generally accepted accounting principles and practices and shall remain intact all Scope of Work information until the latest of:

- A. Six (6) years following the term of this Agreement; or
- B. If any litigation, claim, or audit is commenced during either such period, when all such litigation claims or audits have been resolved.

4.04 Audit Requirements. The Contractor shall ensure that an annual independent audit is conducted of the Contractor's financial records in accordance with the requirements of Title II Part 200 of the Code of Federal Regulations, which supersedes Office of Management and Budget (OMB) Circular A-133. The Contractor shall, upon request, make a copy of the audit available for review by DRCOG and/or SUA. All activities and costs charged under this Contract shall be in accordance with the provisions of the Older Americans Act, Colorado Revised Statutes, Rule Manual Volume 10 and the SUA Policy and Procedure Manual, as from time to time amended, including but not limited to compliance with cost principles set forth in: Title II Part 200 of the Code of Federal Regulations and Government Audit Standards regardless of the amount of Federal funding the Contractor receives. Federal Acquisition Regulations at 48 C.F.R. Part 31.2 shall also apply when applicable. Should an audit or other financial review disallow any reimbursed costs, the disallowed funds shall be returned to DRCOG or, in DRCOG's discretion and to the extent permitted by Federal and State law and regulations, offset against current or future payments to Contractor. Failure to fulfill these audit obligations is a breach of this Contract and will subject Contractor to all remedies available herein and at law, including all funds being due and payable back to DRCOG.

4.05 The Sub Grantee agrees to provide the Project Manager with a report of all audits performed.

V. REPORTING AND MONITORING REQUIREMENTS

5.01 Progress Reports. The Sub Grantee shall provide information about its progress in the Monthly Reimbursement Request forms it submits to the Project Manager. These reports shall include assisted transportation units of service information from customer surveys, and copies of marketing materials, as applicable. The Sub Grantee shall provide applicable details and information including: data, explanations, descriptions, copies, and sample documents of milestone activities. If there is more than a ten percent deviation from the numbers listed in the milestones in the Scope of Work (**Exhibit 1**), an explanation for that deviation to the progress report(s) shall be added. Progress and change over time shall be evaluated and reported.

A template report form and/or access to the County's electronic data system shall be provided by Douglas County. The Sub Grantee must use the template(s) and electronic format provided for its reports. The Sub Grantee must also submit to the County any other forms and documentation related to the grant that the County requests. The County will furnish electronic copies of all template report forms to be completed and submitted.

Sub Grantee meetings as requested by the County and to permit site visits by County staff during business hours, upon reasonable notice. The Sub Grantee agrees to submit to the County a copy of any promotional information regarding the Scope of Work disseminated by the Sub Grantee during the term of this Agreement.

5.04 Changed Conditions. The Sub Grantee shall use due diligence to achieve the milestones set forth in the Scope of Work. The Sub Grantee agrees to notify the County immediately of any development that has or will have a significant impact on performance of the Scope of Work, including, but not limited to, any problems, delays, or adverse conditions that materially impair the ability to meet the objectives of the Scope of Work in accordance with the terms of this Agreement. The notice shall include a statement of action taken or contemplated and any assistance needed to resolve the situation. Additionally, the County will monitor performance on a quarterly basis to ensure milestones are achieved. A ten percent (10%) variance less than or greater than the target will be accepted.

5.05 Special Reporting Requirements. The County is required to report to DRCOG regarding Grant Program Activities. Accordingly, the Sub Grantee agrees to provide the County with any additional follow-up information reasonably requested by the County, in order to meet the County's reporting requirements.

VI. PROJECT ACTIVITY PERIOD; TERM; TERMINATION

6.01 Project Activity Period. This Project Activity Period will begin on **July 1, 2024 and will end on June 30, 2025.**

6.02 Term. The term of this Agreement shall extend from the Effective Date of this Agreement to a date sixty (60) calendar days following the end of the Project Activity Period defined in Section 6.01 to permit close out of this Agreement.

6.03 Termination by County for Convenience. The County may terminate this Agreement at any time and for any reason by providing the Sub Grantee written notice of such termination at least thirty (30) calendar days prior to the effective date of such termination. Upon such termination, the Sub Grantee shall be entitled to compensation for Scope of Work activities in accordance with this Agreement which were incurred prior to the effective date of the termination, but not exceeding the limits in Section 3.02.

6.04 Termination Due to Loss of Funding. The parties acknowledge and agree that Sub Grantee is to be paid, reimbursed or otherwise compensated for the services set forth herein with funds provided to the County by DRCOG. Sub Grantee expressly understands and agrees that all its rights, demands, and claims to compensation arising under this Agreement are contingent upon the County's receipt of such funds from DRCOG. In the event that such funds, or any part thereof, are not received by the County, the County may immediately terminate this Agreement without liability, including costs for termination.

6.05 Termination for Noncompliance. If there has been a material failure to comply with the provisions of this Agreement by either party (a "breach"), the other party may terminate this Agreement after seven (7) calendar days' written notice to the party in breach if such breach is not cured within the seven (7) day period. A material failure of the Sub Grantee to make reasonable progress toward completion of the Scope of Work without good cause and without providing the notices required by Section 5 constitutes a breach. At the County's option, the County may withhold payment of invoices during any period in which the Sub Grantee is noncompliant with this Agreement. If the County finds that the Sub Grantee's noncompliance is willful and unreasonable, the County may terminate or rescind this Agreement and require the Sub Grantee to repay the grant funds in full or in a portion determined by the County, except that Sub Grantee shall not be required to repay funds that the County has reviewed, approved, and distributed except as provided for in Sections 3.05 and 3.06.

6.06 Effect of Scope of Work Closeout or Termination. The Sub Grantee agrees that Scope of Work closeout or termination of this Agreement does not invalidate continuing obligations imposed on the Sub Grantee by this Agreement. Project closeout or termination of this Agreement does not alter the County's authority to disallow costs and recover funds based on a later audit or other review and does not alter the Sub Grantee's obligation to return any funds due to the County as a result of later refunds, corrections, or other transactions.

Service: Chore

Service Description

Douglas County will utilize a sub-grantee agreement and partner with a community partner to provide chore services to adults aged 60 and over. Chore services provide assistance performing certain household tasks, such as yard work and home repairs. Potential clients contact partner organizations to be enrolled to receive services. If the partner organization receives a referral from another source (ex. Douglas County Community Services, Human Services, a community partner organization such as a church, food bank), the contracted community-based provider reaches out to the potential client per the referral. The community-based service provider speaks with the potential client over the phone or conducts an in-person assessment of the client's eligibility and scope of work to ensure requests are assigned appropriately. Certain data to establish eligibility for OAA funded chore services is collected, which includes the following information: demographic info, age, physical location and need. The potential client also receives information about other services for which they may be eligible, as well as a copy of the grievance procedure and a copy of the non-discrimination policies. Depending on the service required, a volunteer or service worker(s) performs the task. Chore services, such as yard clean-up, are usually performed by groups.

State Service Definition

Chore services are those services designed to increase the safety of older adults living at home such as assistance with heavy housework, yard work or sidewalk maintenance. Chore service activities are one-time, seasonal or occasional in nature, and shall be planned with input from the older adult based on an evaluation of the older adult's strengths and needs, and the degree of physical and/or cognitive impairment of the older adult.

Service: Personal Care

Service Description

Douglas County will utilize a sub-grantee agreement with a community partner organization to provide services in the community.

Personal care services aid with bathing, dressing, walking and medication reminders. Potential clients contact the partner organization providing personal care to be enrolled to receive services. If the partner organization receives a referral from another source, the contracted community-based provider will reach out to the potential client to schedule an intake appointment. An intake specialist, whose primary function is to identify seniors who need care, completes a screening to identify if the individual meets OAA funded personal care requirements and to identify if the individual is one with great economic or social need. The intake specialist makes the potential client aware of the grant-funded care and requests the opportunity to perform an in-home visit.

The in-home consultations are performed by care consultants, employees dedicated to performing in-home assessments. During these face-to-face visits, these specialists work to identify what care is needed, how much care will be given and when it will need to be performed. The specifics of the grant are discussed and the potential client also receives information about other services for which they may be eligible. A copy of the grievance procedure and a copy of the non-discrimination policies is provided at this time. Grant dollars are prioritized so that the funds go to assist those seniors most disadvantaged and at-risk.

State Service Definition

Assistance (Personal assistance, stand-by assistance, supervision or cues) with Activities of Daily Living (ADLs) and/or health-related tasks provided in a person's home and possibly other community settings. Personal care may include assistance with Instrumental Activities of Daily Living (IADLs) for persons who meet the requirements for in-home services.

2.5 Coverage Requirements

(a) Failure on the part of the Contractor to procure or maintain policies providing the required coverages, conditions, and minimum limits shall constitute a material breach of this agreement upon which DRCOG may immediately terminate this agreement, or at its discretion, DRCOG may procure or renew any such policy or any extended reporting period thereto and may pay any and all premiums in connection therewith, and all monies so paid by DRCOG shall be repaid by Contractor to DRCOG upon demand, or DRCOG may offset the cost of the premiums against any monies due to Contractor from DRCOG.

(b) DRCOG reserves the right to request and receive a certified copy of any policy and any endorsement thereto.

(c) The parties hereto understand and agree that DRCOG is relying on and does not waive or intend to waive by any provision of this agreement, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, 24-10-101 et. seq., C.R.S., as from time to time amended, or otherwise available to DRCOG, its officers, or its employees.

In such case, the Contractor shall maintain a claims fund that is available solely to pay claims against the Contractor that are proven or otherwise settled by the Contractor in its sole discretion. Such claims fund is intended for and available for only those purposes and is not available or allocated to fund a commitment or obligation, if any, or to defend or indemnify any party. Payments out of such funds may require approval by the Contractor's governing body. It is understood and agreed that a commitment by the Contractor to self-insure by the creation of said claims fund does not commit the Contractor to otherwise appropriate funds to fund self-insurance for this Contract or for any other commitment of the Contractor, and it is further understood and agreed that the Contractor has not appropriated funds for such purpose. In case of such election to self-insure, the Contractor shall itself provide DRCOG with written confirmation of the Contractor's self-insured status and the existence of said claims fund.

4. When acquiring replacement equipment, Contractor may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment, subject to the approval of DRCOG.
5. Contractor shall maintain accurate equipment records and shall take a physical inventory of equipment and reconcile the results with the equipment records annually. Contractor shall submit to DRCOG annually a property inventory report for all fixed assets acquired under this Contract in the form attached hereto or other report template as approved by DRCOG.

6. Contractor shall maintain a control system to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Contractor shall implement adequate maintenance procedures to keep the equipment in good condition. 1.3 Supplies.

Title to supplies shall vest in the Contractor upon acquisition. Contractor shall not use supplies acquired under this Contract to provide services to non-Federal organizations for a fee that is less than private companies charge for equivalent services, unless authorized by DRCOG. Contractor shall establish written procurement procedures in compliance with 45 CFR § 74.44.

3.0 ADMINISTRATIVE REQUIREMENTS

In performance of its obligations under this Contract, Contractor shall comply with all applicable provisions of Rule Manual Volume 10, SUA Policy and Procedure Manual Subsection 313, 45 CFR Part 74 and 45 CFR Part 92, as applicable, regarding acquisition, use and disposition of fixed assets.

Use in other projects shall be limited to those Federally sponsored projects or programs that have purposes consistent with those authorized for support by DRCOG. If the real property is no longer needed for a Federally sponsored project, then Contractor shall request disposition instructions from DRCOG or its successor.

6.2 Equipment.

In the event Contractor determines that equipment acquired under this Contract is no longer needed for the purpose of the project, Contractor may use the equipment for other activities as follows: for equipment with a current per unit fair market value of \$5,000 or more, the Contractor may retain the equipment for other uses provided that compensation is made to DRCOG. The amount of compensation shall be computed by applying the percentage of DRCOG's share in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from DRCOG.

6.3 Supplies.

If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project and the supplies are not needed for any other Federally sponsored program, the Contractor shall retain the supplies for use on non-Federally sponsored activities or sell them, but shall, in either case, compensate DRCOG for its share. The amount of compensation shall be computed by applying the percentage of DRCOG's share in the cost of the original project or program to the current fair market value of the supplies.

6.4 Disposition.

These provisions regarding disposition of fixed assets shall survive termination of the Contract.

7.0 HHS GRANT

It is agreed by the above parties that should the Department of Health and Human Services ("HHS") or the State disapprove this Contract or refuse or fail to make the grant to DRCOG as contemplated by this Contract, then this Contract shall be void and shall not be binding on any parties hereto.

8.0 CHANGES

Any changes, including any increase in the amount of this Contract, which are mutually agreed upon by and between DRCOG and the Contractor, shall be incorporated in written amendments to this Contract.

9.0 TERMS AND CONDITIONS

The parties agree that this Contract is also subject to the provisions set forth in the Contract between DRCOG and Contractor. If Contractor does not comply with the requirements set forth herein or in the Contract, Contractor agrees to return the value of the fixed assets to DRCOG.

EXHIBIT G: HIPAA BUSINESS ASSOCIATE ADDENDUM

This Business Associate Addendum ("Addendum") is a part of the Contract between the Denver Regional Council of Governments ("DRCOG"), Area Agency on Aging, and "Contractor". For purposes of this Addendum, DRCOG, Area Agency on Aging, is referred to as "AAA" and the Contractor is referred to as "Associate". Unless the context clearly requires a distinction between the Contract document and this Addendum, all references herein to "the Contract" or "this Contract" include this Addendum.

RECITALS

- A. AAA entered into a HIPAA Business Associate Addendum ("State Addendum") with the Department of Human Services, Division of Aging and Adult Services ("Covered Entity" or "CE") as required by the HIPAA Regulations, the Privacy Rule (defined below), which requires the CE, prior to disclosing protected health information to AAA, to enter into a contract containing specific requirements as set forth in, but not limited to, Title 45, Sections 160.103, 164.502(e) and 164.504(e) of the Code of Federal Regulations ("CFR") and contained in this Addendum.
- B. Associate, as a sub-grantee of AAA, has access to certain information, some of which may constitute Protected Health Information ("PHI") (defined below).
- C. As a subgrantee with access to PHI, Associate is a Business Associate and subject to obligations with respect to PHI under HIPAA in the same manner as the State Addendum.
- D. AAA and Associate intend to protect the privacy and provide for the security of PHI disclosed to Associate pursuant to this Contract in compliance with the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA") and regulations promulgated thereunder by the U.S. Department of Health and Human Services (the "HIPAA Regulations") and other applicable laws, as amended.

The parties agree as follows:

1. Definitions.

a. Except as otherwise defined herein, capitalized terms in this Addendum shall have the definitions set forth in the HIPAA Privacy Rule at 45 CFR Parts 160 and 164, as amended ("Privacy Rule"). In the event of any conflict between the mandatory provisions of the Privacy Rule and the provisions of this Contract, the Privacy Rule shall control. Where the provisions of this Contract differ from those mandated by the Privacy Rule, but are nonetheless permitted by the Privacy Rule, the provisions of this Contract shall control.

b. "Protected Health Information" or "PHI" means any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual; or the past, present or future payment for the provision of health care to an individual; and (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual, and shall have the meaning given to such term under the Privacy Rule, including, but not limited to, 45 CFR Section 160.103.

c. "Protected Information" shall mean PHI provided by CE or AAA to Associate or created or received by Associate on CE's or AAA's behalf.

2. Obligations of Associate.

a. Permitted Uses. Associate shall not use Protected Information except for the purpose of performing Associate's obligations under this Contract and as permitted under this Addendum. Further, Associate shall not use Protected Information in any manner that would constitute a violation of the Privacy Rule if so used by CE or AAA, except that Associate may use Protected Information: (i) for the proper management and administration of Associate; (ii) to carry out the legal responsibilities of Associate; or (iii) for Data Aggregation purposes for the Health Care Operations of CE. Additional provisions, if any, governing permitted uses of Protected Information are set forth in Attachment A to this Addendum.

b. Permitted Disclosures. Associate shall not disclose Protected Information in any manner that would constitute a violation of the Privacy Rule if disclosed by CE or AAA, except that Associate may disclose Protected Information: (i) in a manner permitted pursuant to this Contract; (ii) for the proper management and administration of Associate; (iii) as required by law; (iv) for Data Aggregation purposes for the Health Care Operations of CE; or (v) to report violations of law to appropriate federal or state authorities, consistent with 45 CFR Section 164.502(j)(1). To the extent that Associate discloses Protected Information to a third party, Associate must obtain, prior to making any such disclosure: (i) reasonable assurances from such third party that such Protected Information will be held confidential as provided pursuant to this Addendum and only disclosed as required by law or for the purposes for which it was disclosed to such third party; and (ii) an agreement from such third party to immediately notify Associate of any breaches of confidentiality of the Protected Information, to the extent it has obtained knowledge of such breach. Additional provisions, if any, governing permitted disclosures of Protected Information are set forth in Attachment A.

c. Appropriate Safeguards. Associate shall implement appropriate safeguards consistent with applicable law as are necessary to prevent the use or disclosure of Protected Information other than as permitted by this Contract. Associate shall maintain a comprehensive written information privacy and security program consistent with applicable law that includes administrative, technical and physical safeguards appropriate to the size and complexity of the Associate's operations and the nature and scope of its activities.

d. Reporting of Improper Use or Disclosure. Associate shall report to AAA in writing any use or disclosure of Protected Information other than as provided for by this Contract within five (5) days of becoming aware of such use or disclosure.

e. Associate's Agents. If Associate uses one or more subcontractors or agents to provide services under the Contract, and such subcontractors or agents receive or have access to Protected Information, each subcontractor or agent shall sign an agreement with Associate containing substantially the same provisions as this Addendum and further identifying CE and AAA as third party beneficiaries with rights of enforcement and indemnification from such subcontractors or agents in the event of any violation of such subcontractor or agent agreement. Associate shall implement and maintain sanctions against agents and subcontractors that violate such restrictions and conditions and shall mitigate the effects of any such violation.

f. Access to Protected Information. Associate shall make Protected Information maintained by Associate or its agents or subcontractors in Designated Record Sets available to AAA by the deadline specified in a written request by AAA so that AAA may comply with any request(s) by CE to AAA for inspection and copying of records to enable CE to fulfill its obligations to permit individual access to PHI under the Privacy Rule, including, but not limited to, 45 CFR Section 164.524.

g. Amendment of PHI. By the deadline specified in a written request from AAA for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, Associate or its agents or subcontractors shall make such Protected Information available to AAA to provide to CE so that CE may fulfill its obligations with respect to requests by individuals to amend their PHI under the Privacy Rule, including, but not limited to, 45 CFR Section 164.526. If any individual requests an amendment of Protected Information directly from Associate or its agents or subcontractors, Associate must notify AAA in writing within two (2) days of receipt of the request.

h. Accounting Rights. By the deadline specified in written notice by AAA of a request for an accounting of disclosures of Protected Information, Associate and its agents or subcontractors shall make available to AAA the information required to provide an accounting of disclosures so that AAA may forward such accounting disclosures on to CE so that CE may fulfill its obligations under the Privacy Rule, including, but not limited to, 45 CFR Section 164.528. As set forth in, and as limited by, 45 CFR Section 164.528, Associate shall not provide an accounting to AAA of disclosures: (i) to carry out treatment, payment or health care operations, as set forth in 45 CFR Section 164.506; (ii) to individuals of Protected Information about them as set forth in 45 CFR Section 164.502; (iii) pursuant to an authorization as provided in 45 CFR Section 164.508; (iv) to persons involved in the individual's care or other notification purposes as set forth in 45 CFR Section 164.510; (v) for national security or intelligence purposes as set forth in 45 CFR Section 164.512(k)(2); or (vi) to correctional institutions or law enforcement officials as set forth in 45 CFR Section 164.512(k)(5). Associate agrees to implement a process that allows for an accounting to be collected and maintained by Associate and its agents or subcontractors for at least six (6) years prior to the request, but not before the compliance date of the Privacy Rule. At a minimum, such information shall include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure. In the event that the request for an accounting is delivered directly to Associate or its agents or subcontractors, Associate shall within five (5) days of the receipt of the request forward it to AAA in writing, which will forward such request to CE. It shall be CE's responsibility to prepare and deliver any such accounting requested. Associate shall not disclose any Protected Information except as set forth in Section 2(b) of this Addendum.

i. Governmental Access to Records. Associate shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to the Secretary of the U.S. Department of Health and Human Services (the "Secretary"), in a time and manner designated by the Secretary, for purposes of determining CE's compliance with the Privacy Rule. Associate shall provide to AAA a copy of any Protected Information that Associate provides to the Secretary concurrently with providing such Protected Information to the Secretary. AAA shall subsequently provide such information to CE.

j. Minimum Necessary. Associate (and its agents or subcontractors) shall only request, use and disclose the minimum amount of Protected Information necessary, to the extent practicable, to accomplish the purpose of the request, use or disclosure, in accordance with the Minimum Necessary requirements of the Privacy Rule including, but not limited to 45 CFR Sections 164.502(b) and 164.514(d).

k. Data Ownership. Associate acknowledges that Associate has no ownership rights with respect to the Protected Information.

l. Retention of Protected Information. Notwithstanding Section 4(d) of this Addendum, Associate and its subcontractors or agents shall retain all Protected Information throughout the term of this Contract and shall continue to maintain the information required under Section 2(h) of this Addendum for a period of six (6) years after termination of the Contract.

m. Associate's Insurance. Associate shall maintain casualty and liability insurance to cover loss of PHI data and claims based upon alleged violations of privacy rights through improper use or disclosure of PHI. All such policies shall meet or exceed the minimum insurance requirements of the Contract (e.g., occurrence basis, combined single dollar limits, annual aggregate dollar limits, additional insured status and notice of cancellation).

n. Notification of Breach. During the term of this Contract, Associate shall notify AAA within twenty-four (24) hours of any suspected or actual breach of security, intrusion or unauthorized use or disclosure of PHI and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. Associate shall take (i) prompt corrective action to cure any such deficiencies and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.

o. Audits, Inspection and Enforcement. Within ten (10) days of a written request by CE, Associate and its agents or subcontractors shall allow CE or AAA to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of Protected Information pursuant to this Addendum for the purpose of determining whether Associate has complied with this Addendum; provided, however, that: (i) Associate and CE shall mutually agree in advance upon the scope, timing and location of such an inspection; (ii) CE shall protect the confidentiality of all confidential and proprietary information of Associate to which CE has access during the course of such inspection; and (iii) CE shall execute a nondisclosure agreement, upon terms mutually agreed upon by the parties, if requested by Associate. The fact that CE inspects, or fails to inspect, or has the right to inspect, Associate's facilities, systems, books, records, agreements, policies and procedures does not relieve Associate of its responsibility to comply with this Addendum, nor does CE's (i) failure to detect or (ii) detection, but failure to notify Associate or require Associate's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of CE's enforcement rights under the Contract.

p. Safeguards During Transmission. Associate shall be responsible for using appropriate safeguards to maintain and ensure the confidentiality, privacy and security of Protected Information transmitted to AAA pursuant to the Contract, in accordance with the standards and requirements of the Privacy Rule, until such Protected Information is received by AAA, and in accordance with any specifications set forth in Attachment A.

q. Restrictions and Confidential Communications. Within ten (10) business days of notice by CE of a restriction upon uses or disclosures or request for confidential communications pursuant to 45 C.F.R. 164.522, Associate will restrict the use or disclosure of an individual's Protected Information, provided Associate has agreed to such a restriction. Associate will not respond directly to an individual's requests to restrict the use or disclosure of Protected Information or to send all communication of Protect Information to an alternate address. Associate will refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to Associate.

3. Obligations of AAA.

a. Safeguards During Transmission. AAA shall be responsible for using appropriate safeguards consistent with applicable law to maintain and ensure the confidentiality, privacy and security of PHI transmitted to Associate pursuant to this Contract, in accordance with the standards and requirements of the Privacy Rule, until such PHI is received by Associate, and in accordance with any specifications set forth in Attachment A.

b. Notice of Changes. AAA shall provide Associate with a copy of any notices of changes that it receives from the State pursuant to the State Addendum, including the following: 1) notice of privacy practices produced in accordance with 45 CFR Section 164.520, as well as any subsequent changes or limitation(s) to such notice, to the extent such changes or limitations may effect Associate's use or disclosure of Protected Information; 2) any changes in, or revocation of, permission to use or disclose Protected Information, to the extent it may affect Associate's permitted or required uses or disclosures; and 3) to the extent that it may affect Associate's permitted use or disclosure of PHI, any restriction on the use or disclosure of Protected Information that CE has agreed to in accordance with 45 CFR Section 164.522. CE may effectuate any and all such notices of non-private information via posting on CE's web site. Associate shall monitor CE's designated web site for notice of changes to CE's HIPAA privacy policies and practices.

4. Termination.

a. Material Breach. In addition to any other provisions in the Contract regarding breach, a breach by Associate of any provision of this Addendum, as determined by AAA, shall constitute a material breach of this Contract and shall provide grounds for immediate termination of this Contract by AAA pursuant to the provisions of the Contract covering termination for cause, if any. If the Contract contains no express provisions regarding termination for cause, the following terms and conditions shall apply:

(1) Default. If Associate refuses or fails to timely perform any of the provisions of this Contract, AAA may notify Associate in writing of the non-performance, and if not promptly corrected within the time specified, AAA may terminate this Contract. Associate shall continue performance of this Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services elsewhere.

(2) Associate's Duties. Notwithstanding termination of this Contract, and subject to any directions from AAA, Associate shall take timely, reasonable and necessary action to protect and preserve property in the possession of Associate in which AAA has an interest.

(3) Compensation. Payment for completed supplies delivered and accepted by AAA shall be at the Contract price. In the event of a material breach under paragraph 4a, AAA

may withhold amounts due Associate as AAA deems necessary to protect AAA against loss from third party claims of improper use or disclosure and to reimburse AAA for the excess costs incurred in procuring similar goods and services elsewhere.

(4) Erroneous Termination for Default. If after such termination it is determined, for any reason, that Associate was not in default, or that Associate's action/inaction was excusable, such termination shall be treated as a termination for convenience, and the rights and obligations of the parties shall be the same as if this Contract had been terminated for convenience, as described in this Contract.

b. Reasonable Steps to Cure Breach. If AAA knows of a pattern of activity or practice of Associate that constitutes a material breach or violation of the Associate's obligations under the provisions of this Addendum or another arrangement and does not terminate this Contract pursuant to Section 4(a), then AAA shall take reasonable steps to cure such breach or end such violation, as applicable. If CE's efforts to cure such breach or end such violation are unsuccessful, AAA shall either (i) terminate the Contract, if feasible or (ii) if termination of this Contract is not feasible, AAA shall report Associate's breach or violation to the Secretary of the Department of Health and Human Services.

c. Judicial or Administrative Proceedings. Either party may terminate the Contract, effective immediately, if (i) the other party is named as a defendant in a criminal proceeding for a violation of HIPAA, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the other party has violated any standard or requirement of HIPAA, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

d. Effect of Termination.

(1) Except as provided in paragraph (2) of this subsection, upon termination of this Contract, for any reason, Associate shall return or destroy all Protected Information that Associate or its agents or subcontractors still maintain in any form and shall retain no copies of such Protected Information. If Associate elects to destroy the PHI, Associate shall certify in writing to AAA that such PHI has been destroyed.

(2) If Associate believes that returning or destroying the Protected Information is not feasible, Associate shall promptly provide AAA notice of the conditions making return or destruction infeasible. Upon mutual agreement of AAA and Associate that return or destruction of Protected Information is infeasible, Associate shall continue to extend the protections of Sections 2(a), 2(b), 2(c), 2(d) and 2(e) of this Addendum to such information, and shall limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible.

5. Injunctive Relief.

AAA shall have the right to injunctive and other equitable and legal relief against Associate or any of its subcontractors or agents in the event of any use or disclosure of Protected Information in violation of this Contract or applicable law. Associate acknowledges and agrees that in the event of such impermissible use or disclosure of Protected Information, AAA may seek injunctive relief if: (1) AAA will suffer real, immediate, and irreparable injury which will be prevented by injunctive relief; (2) that AAA has no plain, speedy, and adequate remedy at law; (3) that the granting of a preliminary injunction will promote the public interest in privacy rather than disserve the public interest; (4) that the balance of equities always favors the injunction in such cases; (5) that the injunction will preserve the status quo pending a trial on

the merits; and (6) that AAA shall not be required to demonstrate a reasonable probability of success on the merits in order to obtain injunctive relief.

6. No Waiver of Immunity.

No term or condition of this Contract shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the Colorado Governmental Immunity Act, C.R.S. 24-10-101 et seq. or the Federal Tort Claims Act, 28 U.S.C. 2671 et seq. as applicable, as now in effect or hereafter amended.

7. Limitation of Liability.

Any limitation of Associate's liability in the Contract shall be inapplicable to the terms and conditions of this Addendum.

8. Disclaimer.

AAA makes no warranty or representation that compliance by Associate with this Contract, HIPAA or the HIPAA Regulations will be adequate or satisfactory for Associate's own purposes. Associate is solely responsible for all decisions made by Associate regarding the safeguarding of PHI.

9. Certification.

To the extent that CE determines an examination is necessary in order to comply with CE's legal obligations pursuant to HIPAA relating to certification of its security practices, CE or its authorized agents or contractors, may, at CE's expense, examine Associate's facilities, systems, procedures and records as may be necessary for such agents or contractors to certify to CE the extent to which Associate's security safeguards comply with HIPAA, the HIPAA Regulations or this Addendum.

10. Amendment.

a. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of this Addendum may be required to provide for procedures to ensure compliance with such developments. This Addendum may be amended upon written notice by AAA to Associate, provided that such amendment is necessary to assure ongoing compliance with the State Addendum, HIPAA, the Privacy Rule and other applicable laws relating to the security or privacy of PHI. The parties understand and agree that CE and AAA must receive satisfactory written assurance from Contractor that Contractor will adequately safeguard all Protected Information. Upon the request of any party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Addendum embodying written assurances consistent with the standards and requirements of HIPAA, the Privacy Rule or other applicable laws. AAA may terminate this Contract upon thirty (30) days written notice in the event (i) Contractor does not promptly enter into negotiations to amend this Contract when requested by CE or AAA pursuant to this Section or (ii) Contractor does not enter into an amendment to this Contract providing assurances regarding the safeguarding of PHI that CE or AAA, in their discretion, deem sufficient to satisfy the standards and requirements of HIPAA and the Privacy Rule.

b. Amendment of Attachment A.

Attachment A may be modified or amended by mutual agreement of the parties in writing from time to time without formal amendment of this Addendum.

11. Assistance in Litigation or Administrative Proceedings.

Associate shall make itself, and any subcontractors, employees or agents assisting Associate in the performance of its obligations under the Contract, available to CE or AAA, at no cost to CE or AAA, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against AAA, its directors, officers or employees based upon a claimed violation by associate, its subcontractors, employees or agent of HIPAA, the Privacy Rule or other laws relating to security and privacy or PHI covered by this Addendum, except where Associate or its subcontractor, employee or agent is a named adverse party.

12. No Third-Party Beneficiaries.

The Department of Human Services, Division of Aging and Adult Services, is a Third-Party Beneficiary to this Agreement with rights of enforcement and indemnification in the event of any violation of the Contract. Nothing express or implied in this Contract is intended to confer, nor shall anything herein confer, upon any person other than The Department of Human Services, Division of Aging and Adult Services, CE, Associate and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

13. Interpretation and Order of Precedence.

The provisions of this Addendum shall prevail over any provisions in the Contract that may conflict or appear inconsistent with any provision in this Addendum. Together, the Contract and this Addendum shall be interpreted as broadly as necessary to implement and comply with HIPAA and the Privacy Rule. The parties agree that any ambiguity in this Contract shall be resolved in favor of a meaning that complies and is consistent with HIPAA and the Privacy Rule. This Contract supersedes and replaces any previous separately executed HIPAA addendum between the parties.

14. Survival of Certain Contract Terms.

Notwithstanding anything herein to the contrary, Associate's obligations under Section 4(d) ("Effect of Termination") shall survive termination of this Contract and shall be enforceable by CE as provided herein in the event of such failure to perform or comply by the Associate.

15. Representatives and Notice.

a. Representatives.

For the purpose of the Contract, the individuals identified elsewhere in this Contract shall be the representatives of the respective parties. If no representatives are identified in the Contract, the individuals listed below are hereby designated as the parties' respective representatives for purposes of this Contract. Either party may from time to time designate in writing new or substitute representatives.

EXHIBIT H: E-VERIFY FEDERAL CONTRACTOR RULE EMPLOYMENT ELIGIBILITY VERIFICATION

(a) Definitions. As used in this clause—

Commercially available off-the-shelf (COTS) item—

(1) Means any item of supply that is—

- i. A commercial item (as defined in paragraph (1) of the definition at 2.101);
- ii. Sold in substantial quantities in the commercial marketplace; and
- iii. Offered to the Government, without modification, in the same form in which it is sold in the commercial marketplace; and

(2) Does not include bulk cargo, as defined in section 3 of the Shipping Act of 1984 (46 U.S.C. App. 1702), such as agricultural products and petroleum products. Per 46 CFR 525.1(c)(2), "bulk cargo" means cargo that is loaded and carried in bulk onboard ship without mark or count, in a loose unpackaged form, having homogenous characteristics. Bulk cargo loaded into intermodal equipment, except LASH or Seabee barges, is subject to mark and count and, therefore, ceases to be bulk cargo.

Employee assigned to the contract means an employee who was hired after November 6, 1986, who is directly performing work, in the United States, under a contract that is required to include the clause prescribed at 22.1803. An employee is not considered to be directly performing work under a contract if the employee—

- (1) Normally performs support work, such as indirect or overhead functions; and
- (2) Does not perform any substantial duties applicable to the contract.

Subcontract means any contract, as defined in 2.101, entered into by a subcontractor to furnish supplies or services for performance of a prime contract or a subcontract. It includes but is not limited to purchase orders, and changes and modifications to purchase orders.

Subcontractor means any supplier, distributor, vendor, or firm that furnishes supplies or services to or for a prime Contractor or another subcontractor.

United States, as defined in 8 U.S.C. 1101(a)(38), means the 50 States, the District of Columbia, Puerto Rico, Guam, and the U.S. Virgin Islands.

(b) Enrollment and verification requirements.

(1) If the Contractor is not enrolled as a Federal Contractor in E-Verify at time of contract award, the Contractor shall—

- i. Enroll. Enroll as a Federal Contractor in the E-Verify program within 30 calendar days of contract award;
- ii. Verify all new employees. Within 90 calendar days of enrollment in the E-Verify program, begin to use E-Verify to initiate verification of employment eligibility of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); and
- iii. Verify employees assigned to the contract. For each employee assigned to the contract, initiate verification within 90 calendar days after date of enrollment or within 30 calendar days of the employee's assignment to the contract, whichever date is later (but see paragraph (b)(4) of this section).

- (2) If the Contractor is enrolled as a Federal Contractor in E-Verify at time of contract award, the Contractor shall use E-Verify to initiate verification of employment eligibility of—
 - i. All new employees.
 - (A) Enrolled 90 calendar days or more. The Contractor shall initiate verification of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); or
 - (B) Enrolled less than 90 calendar days. Within 90 calendar days after enrollment as a Federal Contractor in E-Verify, the Contractor shall initiate verification of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); or
 - ii. Employees assigned to the contract. For each employee assigned to the contract, the Contractor shall initiate verification within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever date is later (but see paragraph (b)(4) of this section).
- (3) If the Contractor is an institution of higher education (as defined at 20 U.S.C. 1001(a)); a State or local government or the government of a Federally recognized Indian tribe; or a surety performing under a takeover agreement entered into with a Federal agency pursuant to a performance bond, the Contractor may choose to verify only employees assigned to the contract, whether existing employees or new hires. The Contractor shall follow the applicable verification requirements at (b)(1) or (b)(2), respectively, except that any requirement for verification of new employees applies only to new employees assigned to the contract.
- (4) Option to verify employment eligibility of all employees. The Contractor may elect to verify all existing employees hired after November 6, 1986, rather than just those employees assigned to the contract. The Contractor shall initiate verification for each existing employee working in the United States who was hired after November 6, 1986, within 180 calendar days of—
 - i. Enrollment in the E-Verify program; or
 - ii. Notification to E-Verify Operations of the Contractor's decision to exercise this option, using the contact information provided in the E-Verify program Memorandum of Understanding (MOU).
- (5) The Contractor shall comply, for the period of performance of this contract, with the requirements of the E-Verify program MOU.
 - i. The Department of Homeland Security (DHS) or the Social Security Administration (SSA) may terminate the Contractor's MOU and deny access to the E-Verify system in accordance with the terms of the MOU. In such case, the Contractor will be referred to a suspension or debarment official.
 - ii. During the period between termination of the MOU and a decision by the suspension or debarment official whether to suspend or debar, the Contractor is excused from its obligations under paragraph (b) of this clause. If the suspension or debarment official determines not to suspend or debar the Contractor, then the Contractor must reenroll in E-Verify.

- (2) Who has been granted and holds an active U.S. Government security clearance for access to confidential, secret, or top secret information in accordance with the National Industrial Security Program Operating Manual; or
- (3) Who has undergone a completed background investigation and been issued credentials pursuant to Homeland Security Presidential Directive (HSPD)-12, Policy for a Common Identification Standard for Federal Employees and Contractors.

(e) Subcontracts. The Contractor shall include the requirements of this clause, including this paragraph (e) (appropriately modified for identification of the parties), in each subcontract that—

- (1) Is for—(i) Commercial or noncommercial services (except for commercial services that are part of the purchase of a COTS item (or an item that would be a COTS item, but for minor modifications), performed by the COTS provider, and are normally provided for that COTS item); or (ii) Construction;
