1166HV	Yellow	Striping (TT-P-1952F Type II)	250 gal tote	$	12.40	17,250

FOB LTL

Terms: Net 30 days with approved credit. Subject to change without notice.

Payment Receipt: Based on the invoice date and the day payment is **actually received**, not based on check date or postmark.

Discounts: Discounts apply to product price only based on FOB plant price. Freight costs and sales tax are not eligible for discounts.

Account must be in good standing for applicable discounts to apply.

Delivery: 7 - 10 days standard lead time.

Freight: Prices are FOB Plant. Swarco will use every means possible to ensure lowest cost routing to ship product to the customer or jobsite location that best meets customer delivery requirements. Swarco uses contract haulers and we cannot always guarantee a specific delivery time; however we will do everything possible to meet customer requests.

Ship to Location & Freight Estimate:

(Actual rates can vary based on fuel surcharges, shipments to jobsites, or locations other than stated in ship to location).
These prices do NOT include any sales or other taxes.

RETURNS Subject TO 15% RESTOCKING FEE. Retuns authorization form must accompany return shipments.

If paint is delivered in a returnable IBC and is damaged, full replacement cost will be charged.

We appreciate the opportunity to quote on our premium traffic marking products.
