Subject: Applicant Request to Table

Dear Mr. Jakubowski-

We respectfully request the Board of County Commissioners grant the Applicant a Tabling of the Pine Canyon PD Rezoning (ZR2020-010) and Water Appeal (MI2020-009).

The Applicant has been working diligently to honor the Board's request to engage with the Town of Castle Rock regarding the project. This request will allow the Applicant to continue to work with the Town of Castle Rock regarding pursuing agreement.

Additional time is required to present and process these agreements. Under these circumstances, the Applicant believes that a Tabling is warranted.

Thank you,

-Kurt
