Board of County Commissioners' Business Meeting

July 22, 2025 @ 1:30 p.m.

I. EXECUTIVE SUMMARY

The request is for approval of the 2025-2026 Denver Regional Council of Governments (DRCOG) Federal Transit Administration (FTA) 5310 contract EX25019 in the amount of \$270,747 to enhance mobility of older adults and individuals with disabilities. A county contribution of \$67,687 is required for a project total of \$338,434. The term of the contract is through June 30, 2026.

II. REQUEST

Staff requests approval of the 2025-2026 DRCOG FTA 5310 contract EX25019 in the amount of \$270,747 with a required local contribution of \$67,687 for a project total of \$338,434.

III. BACKGROUND

At the Business Meeting on December 17, 2024, the Board of County Commissioners approved the 2025 Mobility Management grant application to DRCOG. Douglas County was notified that the application has been recommended for funding and DRCOG issued contract EX25019 in the amount of \$270,747. A County contribution of \$67,687 is required. This contract will serve residents in the northern portions of the County within the Denver-Aurora Urbanized Area.

IV. DISCUSSION

The County does not provide transit services directly. Instead, subgrantee agreements will be executed with local area transportation providers to provide approximately 5,216 one-way trips to enhance the mobility of older adults and people with disabilities. Douglas County transportation providers utilize multiple funding sources and volunteer drivers to leverage grant funds and keep trip costs low.

The Douglas County First Call, operated by Aging Resources of Douglas County (ARDC), is utilized to provide transit coordination with potential clients seeking information and current clients who may need additional resources. ARDC supports an average of 542 First Call requests per month.

Mobility management includes staff costs to support grant management, transit coordination, and training expenses.

The \$338,434 is proposed to be allocated in the following manner:

Transportation - Trips		
Aging Resources of Douglas County	5,216	\$ 193,000
Sub-Total Trips	5,216	\$ 193,000
Mobility Management		
Aging Resources of Douglas County – First Call		\$ 16,120
Mobility Management		\$ 61,627
Sub Total of Requested Funds		\$ 270,747
Required Local Contribution		
DRCOG OAA Transportation Funds		\$ 67,687
Sub Total of Match Funds		\$ 67,687
Project Total		\$ 338,434

The required local contribution will be met through DRCOG Older Americans Act (OAA) funded grant match.

V. RECOMMENDED ACTION

Staff recommends approval of the 2025-2026 DRCOG FTA 5310 contract EX25019 in the amount of \$338,434 as it complies with all federal, state, and county approval standards and policies.

The Contractor agrees that neither it nor any subcontractor will engage in charter service, except as permitted under federal transit laws, specifically 49 U.S.C. § 5323(d), (g), and (r), FTA regulations, "Charter Service," 49 CFR Part 604, any other federal Charter Service regulations, federal requirements, or federal guidance.
- (b) Exceptions. Apart from exceptions to the Charter Service restrictions in FTA's Charter Service regulations, FTA has established the following additional exceptions to those restrictions:
- (1) FTA's Charter Service restrictions do not apply to equipment or facilities supported with the federal assistance appropriated or made available for 49 U.S.C. § 5310 to support a New Freedom-type Project or related activities that would have been eligible for federal assistance under repealed 49 U.S.C. § 5317 in effect in Fiscal Year 2012 or a previous fiscal year, provided the Contractor uses that federal assistance for FTA program purposes only.
- (c) Violations. If Contractor or any subcontractor engages in a pattern of violations of FTA's Charter Service regulations, FTA may require corrective measures and remedies, including withholding an amount of federal assistance as provided in FTA's Charter Service regulations, 49 CFR Part 604, appendix D, or barring it or a subcontractor from receiving federal assistance provided in 49 U.S.C. chapter 53, 23 U.S.C. § 133, or 23 U.S.C. § 142.
- (d) Financial Responsibility. The Contractor agrees to comply and assures that its subcontractor will comply with the economic and insurance registration requirements of the:

 - (2) The provisions of 49 U.S.C. § 31138(e)(4), which supersede inconsistent provisions of 49 CFR Part 387, and reduce the amount of insurance the Contractor must obtain to the highest amount required by any state in which the public transportation provider operates, if

it operates within a public transportation service area located in more than one state, and receives federal assistance under 49 U.S.C. §§ 5307, 5310, and 5311.

- (e) U.S. FMCSA Requirements. The Contractor agrees to comply and assures that its subcontractors will comply with: (1) The safety requirements of U.S. FMCSA regulations, “Federal Motor Carrier Safety Regulations,” 49 CFR Parts 390 – 397, to the extent applicable; and (2) The driver’s license requirements of U.S. FMCSA regulations, “Commercial Driver’s License Standards, Requirements, and Penalties,” 49 CFR Part 383, 90 and “State Compliance with Commercial Driver’s License,” 49 CFR Part 384, to the extent applicable, with the substance abuse requirements and guidance of U.S. FMCSA’s regulations, “Controlled Substances and Alcohol Use and Testing,” 49 CFR Part 382, and implementing federal guidance, to the extent applicable.
- (f) Alcohol Misuse and Prohibited Drug Use.
 - (1) Requirements. The Contractor agrees to comply and assures that its subcontractors will comply with: (i) Federal transit laws, specifically 49 U.S.C. § 5331; (ii) FTA regulations, “Prevention of Alcohol Misuse and Prohibited Drug Use in Transit Operations,” 49 CFR Part 655; and (iii) Applicable provisions of U.S. DOT regulations, “Procedures for Transportation Workplace Drug and Alcohol Testing Programs,” 49 CFR Part 40.
 - (2) Remedies for Non-Compliance. If FTA determines that the Contractor or subcontractor receiving federal assistance under 49 U.S.C. chapter 53 is not in compliance with 49 CFR Part 655, the Federal Transit Administrator may bar that Contractor or subcontractor from receiving all or a portion of the federal transit assistance for public transportation it would otherwise receive.

Article 8 – Disputes, breaches, defaults, and litigation

- (a) FTA Interest. FTA has a vested interest in the settlement of any violation of federal law, regulation, or requirement, or any disagreement involving the Contract including, but not limited to, a default, breach, major dispute, or litigation, and FTA reserves the right to concur in any settlement or compromise.
- (b) Notification to FTA; Flow Down Requirement. If a current or prospective legal matter that may affect the Federal Government emerges, the Contractor must promptly notify the FTA Chief Counsel and FTA Regional Counsel for the Region in which the Contractor is located. The Contractor must include a similar notification requirement in its subcontracts and must require each subcontractor to include an equivalent provision in its subcontracts at every tier, for any agreement that is a “covered transaction” according to 2 C.F.R. §§ 180.220 and 1200.220.
 - (1) The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason.

Per 46 CFR 525.1(c)(2), “bulk cargo” means cargo that is loaded and carried in bulk onboard ship without mark or count, in a loose unpackaged form, having homogenous characteristics. Bulk cargo loaded into intermodal equipment, except LASH or Seabee barges, is subject to mark and count and, therefore, ceases to be bulk cargo.

(b) Enrollment and verification requirements.

- (1) If the Contractor is not enrolled as a Federal Contractor in E-Verify at time of contract award, the Contractor shall—
 - i. Enroll. Enroll as a Federal Contractor in the E-Verify program within 30 calendar days of contract award;
 - ii. Verify all new employees. Within 90 calendar days of enrollment in the E-Verify program, begin to use E-Verify to initiate verification of employment eligibility of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); and
 - iii. Verify employees assigned to the contract. For each employee assigned to the contract, initiate verification within 90 calendar days after date of enrollment or within 30 calendar

- days of the employee's assignment to the contract, whichever date is later (but see paragraph (b)(4) of this section).
- (2) If the Contractor is enrolled as a Federal Contractor in E-Verify at time of contract award, the Contractor shall use E-Verify to initiate verification of employment eligibility of—
 - i. All new employees.
 - (A) Enrolled 90 calendar days or more. The Contractor shall initiate verification of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); or
 - (B) Enrolled less than 90 calendar days. Within 90 calendar days after enrollment as a Federal Contractor in E-Verify, the Contractor shall initiate verification of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); or

The Contractor shall follow the applicable verification requirements at (b)(1) or (b)(2), respectively, except that any requirement for verification of new employees applies only to new employees assigned to the contract.
 - (4) Option to verify employment eligibility of all employees. The Contractor may elect to verify all existing employees hired after November 6, 1986, rather than just those employees assigned to the contract. The Contractor shall initiate verification for each existing employee working in the United States who was hired after November 6, 1986, within 180 calendar days of—
 - i. Enrollment in the E-Verify program; or
 - ii. Notification to E-Verify Operations of the Contractor's decision to exercise this option, using the contact information provided in the E-Verify program Memorandum of Understanding (MOU).

- (3) Who has undergone a completed background investigation and been issued credentials pursuant to Homeland Security Presidential Directive (HSPD)-12, Policy for a Common Identification Standard for Federal Employees and Contractors.

(e) Subcontracts. The Contractor shall include the requirements of this clause, including this paragraph (e) (appropriately modified for identification of the parties), in each subcontract that—

- (1) Is for—(i) Commercial or noncommercial services (except for commercial services that are part of the purchase of a COTS item (or an item that would be a COTS item, but for minor modifications), performed by the COTS provider, and are normally provided for that COTS item); or (ii) Construction;
