Subject: Permit Fees

Hello Esteemed Board of County Commissioners,

I am the Program Manager for Girls Rugby Colorado - a non-profit, values based, youth sports organization helping girls to feel empowered through flag rugby!
As a non-profit organization we strive to keep our program affordable and offer scholarships to any families in need. I have made a reservation at **Pinery Park on October 2nd, 9th, 16th, and 23rd** for a one hour evening practice. This is for 10 players and two coaches.

I am wondering if the fee can be waived or a discount applied due to our non profit status and goal to inspire young girls to lead and succeed! Our program sets aside funding for field reservation, but the \$50 fee is double what we are used to seeing - thus the reason for my request.

I would be happy to provide more information if desired, including our 501 C3. Here is our website detailing more about the program: <https://www.girlsrugbyinc.com/colorado/>

Thank you for your consideration.

Sincerely,
Meg Clarke *They/Them*
Colorado Program Manager for Girls Rugby
