Notice of Cancellation. Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the County.

Waiver of Subrogation. The Contractor hereby grants to the County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. The Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether the County has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions, Deductibles and Coinsurance. The Contractor agrees to be fully and solely responsible for any costs or expenses as a result of a coverage deductible, coinsurance penalty, or self-insured retention. The County may require the Contractor to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the County. The Contractor will indemnify the County, in full, for any amounts related to the above.

Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the County.

2. Insurance must be maintained, and evidence of insurance must be provided for at least three (3) years after completion of the Contract of work.

Verification of Coverage. The Contractor shall furnish the County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The County reserves the right, but not the obligation, to review and revise any insurance requirement, not limited to limits, coverage, and endorsements. Additionally, the County reserves the right, but not the obligation, to

review and reject any insurance policies failing to meet the criteria stated herein. Failure on the part of the Contractor to provide insurance policies within ten (10) working days of receipt of the written request will constitute a material breach of contract upon which the County may immediately terminate this Contract.

The completed certificates of insurance with additional insured endorsements and waivers of subrogation and any notices, within twenty (20) days of cancellation, termination, or material change will be sent via mail or e-mail to:

Douglas County Government
Attn: Risk Management

risk@douglas.co.us

Subcontractors. The Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and the Contractor shall ensure the County is an additional insured on insurance required from subcontractors.

Failure to Procure or Maintain Insurance. The Contractor will not be relieved of any liability, claims, demands, or other obligations assumed by its failure to procure or maintain insurance, or its failure to procure or maintain insurance in sufficient amounts, durations, or types. Failure on the part of the Contractor to procure or maintain policies providing the required coverage, conditions and minimum limits will constitute a material breach of contract upon which the County may immediately terminate this Contract.

Governmental Immunity. The Parties hereto understand and agree that the County is relying on and does not waive or intend to waive by any provision of this Contract, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. §§ 24-10-101 *et seq.* as from time to time amended, or otherwise available to the County, its commissioners, officers, officials, employees or volunteers.
