Action Item #1:

Attached for your review and approval is the acceptance of Swarco Industries, LLC for the 2025 Reflective Glass Beads purchase. The amount of the proposed agreement will exceed \$100,000 and will require approval by the Board of County Commissioner's (BOCC) at a regular business meeting.

Background Information:

Douglas County Traffic Services uses reflective glass beads in its maintenance operations for long line striping. The Swarco Colorado Spec Type 2 beads have been tested and proven to be the most effective product for maintenance operations. This is a "Materials Only" purchase and there will not be any services that Swarco will provide.

Consultant Selection Process (Includes Proposed Amount (Price and Time)):

Swarco is the preferred vendor. After receiving a price quote from Swarco, Douglas County Traffic would like to accept the prices in this quote for our reflective beads purchase. The number of beads needed is 264,000 lbs. The quote for \$0.64 per pound would total \$168,960.00
