Lease at any time during the initial Lease Term or Option Terms. In order to exercise the Options, Tenant must provide written notice of its unconditional exercise of the Option to Landlord (the "Extension Notice") at least 180 days prior to the expiration of the initial Lease Term. If Tenant so exercised an Option, all terms and conditions of this Lease shall remain in full force and effect during the Option Term except that (i) Minimum Rent during the Option Term shall be increased to the then prevailing market rental rate for the Premises) As agreed upon by both parties and not to exceed more than one dollar per sq ft per year., and (ii) after exercise of the Option Tenant shall have no further right to extend the Term of this Lease. In the event that Tenant fails to timely provide the Extension Notice, then Tenant's right to exercise the Option shall automatically terminate.

(c) Unless this Lease provides otherwise, Tenant shall pay all Additional Rent in advance concurrently with the monthly installments of Minimum Rent. These additional rent items are estimated as follows:

COMMON AREA MAINTENANCE CHARGE: Payable in monthly installments in advance in the amount of \$666.81 each, subject to adjustment as herein provided.(See Paragraph 7).

AD VALOREM TAXES: \$1,450.65 per month, subject to adjustment based upon tax changes. (See Paragraph 8).

INSURANCE: \$59.88 per month, subject to adjustments based on premium changes. (See Paragraph 17).

Prepaid Rent (fourth month): \$6,804.17

6. SECURITY DEPOSIT

Concurrently with execution of this Lease, Tenant shall deposit with Landlord the sum of \$4,626.83 which shall be held by Landlord as security for the faithful performance by Tenant of all terms, covenants and conditions of this Lease to be kept and performed by Tenant during the Term hereof. If Tenant defaults with respect to any provision of this Lease, including but not limited to the provisions relating to the payment of Rent, Landlord may (but shall not be required to) use, apply or retain all or any part of this security deposit for the payment of any Rent or any other sum due, or for the payment of any amount which Landlord may spend or become obligated to spend by reason of Tenant's default, or to compensate Landlord for any other loss or damage which Landlord may suffer by reason of Tenant's default. If any portion of such deposit is so used or applied Tenant shall, within five (5) days after written demand therefor, deposit cash with Landlord in an amount sufficient to restore the security deposit to its original amount and Tenant's failure to do so shall be a default under this Lease. The preceding is not intended to in any manner limit Landlord's available remedies in the event of default. Landlord shall not be required to keep this security deposit separate from its general funds, and Tenant shall not be

entitled to interest on such deposit. If Tenant shall fully and faithfully perform every provision of this Lease to be performed by it, the security deposit or any balance thereof shall be returned to Tenant (or, at Landlord's option, to the last assignee or subtenant of Tenant's interest hereunder) within three (3) months following expiration of the Lease Term. In the event of termination of Landlord's interest in this Lease, Landlord shall transfer the security deposit to Landlord's successor in interest and Landlord will have no further liability to Tenant with respect thereto.

7. COMMON AREAS AND COSTS

(a) Subject to the terms of this Lease, Tenant, its agents, employees, customers, licensees and subtenants shall have a non-exclusive license to reasonably use the Common Areas for the entire Lease Term for ingress or egress, automobile parking and any other purpose for which the Common Areas were designed. Tenant, in the use of the Common Areas, agrees to comply with such reasonable rules, regulations and charges for parking as Landlord may adopt from time to time for the orderly and proper operation of the Common Areas. Such rules may include but shall not be limited to the following: (i) restricting of employee parking to a limited, designated area or areas; and (ii) regulation of the removal, storage and disposal of Tenant's refuse and other rubbish at the sole cost and expense of Tenant.

(b) Tenant shall pay Tenant's Pro Rata Share of all CAM Costs during the Lease Term. On or before the Rent Commencement Date, Landlord shall submit to Tenant a statement of the anticipated monthly CAM Costs for the period between such Commencement Date and the following January, and Tenant shall pay its Pro Rata Share of these CAM Costs on a monthly basis concurrently with the payment of Minimum Rent. Tenant shall continue to make such monthly payments until notified by Landlord of a change thereof. Landlord shall have the right to periodically review and revise the statement of anticipated monthly CAM Costs, if deemed necessary by Landlord. Upon any such revision, Landlord will submit a revised statement of the anticipated monthly CAM Costs to Tenant. Tenant agrees to pay any deficiency to date based on the revised statement with its next due payment of Minimum Rent and thereafter pay the revised anticipated monthly CAM Costs until further notified by Landlord. By March 31st of each year Landlord shall endeavor to give Tenant a statement showing the total actual CAM Costs for the prior calendar year and Tenant's allocable share thereof, prorated from the Rent Commencement Date. However, any failure by Landlord to provide such CAM Cost statement by the date provided above shall in no way excuse Tenant from its obligation to pay its pro rata share of CAM Costs or constitute a waiver of Landlord's right to bill and collect such pro rata share of CAM Costs from Tenant in accordance herewith. In the event the total of the monthly payments which Tenant has made for the prior calendar year is less than Tenant's Pro Rata Share of such actual CAM Costs, then Tenant shall pay the difference in a lump sum within sixty (60) days after receipt of such statement from Landlord. In addition, until Tenant receives a statement indicating otherwise, Tenant's monthly reimbursement of CAM Costs for the current calendar year shall thereafter be revised based on the new statement beginning on the first day of the month following the month in which Tenant receives such statement. If the statement reflects a change in the monthly reimbursement amount such difference shall be adjusted by increasing or decreasing the first monthly reimbursement payment after the statement is given in order to bring

the reimbursement amount for the existing year current as of such date. To the extent that the actual Tenant's Pro Rata Share of such CAM Costs is less than the estimated amount which Tenant previously paid, Landlord shall credit the excess against any sums then owing or next coming due from Tenant to Landlord. The actual CAM Costs for the prior year shall be used as the basis for calculating the current year's budget, from which the monthly CAM Costs for the then current year are derived. Actual determination of such CAM Costs shall be made after each calendar year as above provided; excepting that in any year in which resurfacing is contemplated Landlord shall be permitted to include the anticipated cost of same as part of the estimated monthly CAM Costs. Even when the Term has expired and Tenant has vacated the Premises, when the final determination is made of Tenant's share of CAM Costs for the year in which this Lease terminates, Tenant shall immediately pay upon demand any increase due over the estimated CAM Costs previously paid and, conversely, any overpayment made shall be immediately refunded or applied to any amounts due or owing by Tenant to Landlord.

(c) Tenant or its agent shall have the right, at any time within ninety (90) days after a statement of actual CAM Costs for a particular calendar year has been rendered by Landlord as provided herein, at its sole cost and expense, to examine Landlord's books and records relating to the determination of CAM Costs; provided, however, that Tenant shall give Landlord prior written notice of its intent to exercise such right, the inspection may not take place outside normal business hours, Tenant shall not interfere with Landlord's normal business activities, and Tenant shall sign Landlord's then standard confidentiality agreement with respect to such books and records. Unless Tenant objects to the rental adjustment within said ninety (90) day period, such statement and adjustment shall be deemed conclusively binding upon Tenant.

8. TAXES

(a) Tenant shall pay Tenant's Pro Rata Share of all Taxes on the land, buildings and other improvements constituting the Property (including any fees, taxes or assessments against, or as a result of, any tenant improvements installed in the Premises by or for the benefit of Tenant) attributable to the Lease Term. Tenant shall pay Landlord a sum equal to Landlord's estimate of one-twelfth (1/12) of the annual Taxes payable by Tenant under this Lease, together with each payment of Minimum Rent. Landlord shall have the right to periodically review and revise its estimate of anticipated Taxes, if deemed necessary by Landlord. Upon any such revision, Landlord will submit a revised statement of the anticipated Taxes to Tenant. Tenant agrees to pay any deficiency to date based on the revised statement with its next due payment of Minimum Rent and thereafter pay the revised monthly amount of anticipated Taxes until further notified by Landlord. Landlord shall not be required to keep such payments separate from its general funds. If unknown, Landlord shall reasonably estimate the amount of Taxes when installments are due. Tenant shall pay any deficiency of funds to Landlord upon written request. If Tenant defaults under Lease, Landlord may apply any such funds to any obligation then due under this Lease. Landlord shall furnish Tenant with written evidence of annual payment of Taxes to the taxing authority promptly after receipts are available, if requested by Tenant.

(b) Tenant shall pay before delinquency all taxes charged against trade fixtures,

furnishings, equipment or any other personal property belonging to Tenant which becomes payable during the Lease Term. In the event any or all of Tenant's leasehold improvements, equipment, furniture, fixtures and other personal property shall be assessed and taxed with the Property, Tenant shall in addition to its other obligations set forth in this paragraph 8, pay to Landlord its share of such taxes within ten (10) days after delivery to Tenant by Landlord of a statement in writing setting forth the amount of such taxes applicable to Tenant's property.

9. USE OF PREMISES

(a) Tenant shall use the Premises for the Permitted Use only, and not for any other purpose without the prior written consent of Landlord. Notwithstanding the preceding, the Permitted Use shall not include any use which violates or conflicts with (i) any restrictions of record, or (ii) any exclusive or restrictive use previously granted to any other tenant or owner in the Shopping Center as set forth in Exhibit "E" attached hereto.

(b) Tenant shall not do or permit anything to be done in or about the Premises nor bring or keep anything therein which is not within the Permitted Use of the Premises or which will in any way increase the existing rate of or affect any fire or other insurance upon the Building or any of its contents, or cause a cancellation of any insurance policy covering the Building or any part thereof or any of its contents. Tenant shall not do or permit anything to be done in or about the Premises which will in any way obstruct or interfere with the rights of other tenants or occupants of the Shopping Center or injure or annoy them, or use or allow the Premises to be used for any improper, immoral, unlawful or objectionable purpose; nor shall Tenant cause, maintain or permit any nuisance in, on or about the Premises. Tenant shall not commit any waste or permit any nuisance upon the Premises or overload the floors thereof.

(c) Tenant shall not cause or permit any Hazardous Material (as herein after defined) to be brought upon, transported through, stored, kept, used, discharged or disposed in or about the Shopping Center by Tenant, its agents, employees or contractors. Any such Hazardous Material to be brought upon, transported, used, kept or stored in or about the Shopping Center which is necessary for Tenant to operate its business for the Permitted Use will be brought upon transported, used, kept and sorted only upon prior written approval of Landlord in its sole discretion and only in such quantities as are necessary for the usual and customary operation of Tenant's business and in a manner that complies with (i) all laws, rules, regulations, ordinances, codes or any other governmental restrictions or requirements of all federal, state and local government authorities having jurisdiction thereof regulating such Hazardous Material, (ii) any permits issued for any such Hazardous Material (copies of which must be delivered to Landlord before any Hazardous Material is brought in, in or about the Shopping Center), and (iii) all products and manufacturers' instructions and recommendations, to the extent they are stricter than laws, rules, regulations, ordinances, codes or permits. If Tenant, its agents, employees or contractors, in any way breaches the obligations stated in this paragraph, or if the presence of Hazardous Materials in the Shopping Center caused or permitted by Tenant results in release or threatened release of such Hazardous Material, in, from or under the Shopping Center, or if the presence in, from or under the Shopping Center of Hazardous Materials otherwise arises out of

the operation of Tenant's business, then without limitation of any other rights or remedies available to Landlord hereunder or at law or in equity, Tenant shall indemnify, defend, protect and hold harmless Landlord (and Landlord's directors, officers, employees, partners, agents, mortgagees, successors or assigns, to Landlord's interest in the Premises) from any and all claims, sums paid in settlement of claims, judgments, damages, clean up costs, penalties, fines, liabilities, losses or expenses (including but not limited to attorney, consultant and expert fees and any fees incurred by Landlord to enforce the Indemnity) which arise during or after the Term of this Lease as a result of Tenant's breach of such obligations or such release or such contamination of the Shopping Center, including, but not limited to, diminution in value of the Shopping Center, damages for the loss of, or the restriction on the use of, rentable or usable space or any amenity of the Shopping Center, damages arising from any adverse impact on the sale or lease of the Property, and damage and diminution in value to the Property or other properties, whether owned by Landlord or by third parties (collectively, herein "Indemnity"). The Indemnity of Landlord by Tenant contained in this paragraph includes, but is not limited to, costs incurred in connection with any investigation of site conditions or any clean up, remedial, removal or restoration work required by any federal, state, or local governmental agency or political subdivision because of Hazardous Material present in the soil or groundwater on, under or originating from the Property or as a result of Tenant's actions or omissions elsewhere in the Shopping Center. Without limiting the foregoing, if the presence of any Hazardous Material on the Property or elsewhere in the Shopping Center caused or permitted by Tenant results in any contamination, release or threatened release of Hazardous Material on, from or under the Property or other properties, Tenant shall promptly take all actions at its sole cost and expense which are necessary to return the Property and any other affected property(s) to the condition existing prior to the introduction of such Hazardous Material; provided that Landlord's approval of such actions shall first be obtained (which approval shall not be unreasonably withheld) and so long as such actions do not have or would not potentially have any material adverse long-term or short-term effect on Landlord, on the Property or on other property(s). The Indemnity contained in this paragraph shall survive the expiration or earlier termination of this Lease and shall survive any transfer of Landlord's interest in the Property.

10. COMPLIANCE WITH LAW

Tenant shall not use the Premises, or permit anything to be done in or about the Premises, which will in any way conflict with any law, statute, ordinance or governmental rule or regulation now in force or which may hereafter be enacted or promulgated. Tenant shall, at its sole cost and expense, promptly comply with all laws, statutes, ordinances and governmental rules, regulations or requirements now in force or which may hereafter be in force and with the requirements of any board of fire underwriters or other similar bodies now or hereafter constituted relating to or affecting the condition, use or occupancy of the Premises. The judgment of any court of competent jurisdiction or the admission of Tenant in any action against Tenant, whether Landlord be a party thereto or not, that Tenant has violated any law, statute, ordinance governmental rule, regulation or requirement, shall be conclusive of that fact as between Landlord and Tenant.

11. ALTERATIONS AND ADDITIONS

(a) Tenant shall not make or allow to be made any alterations, additions or improvements to or of the Premises or any part thereof without first obtaining the written consent of Landlord which may be withheld in Landlord's sole discretion and any alterations, additions or improvements to or of the Premises, including, but not limited to, wall covering, paneling and built in cabinet work, but excepting movable furniture, shall without notice and upon election of Landlord become part of the Premises and belong to Landlord and shall be surrendered with the Premises.

(b) Landlord may condition its consent to any alterations, additions or improvements upon such reasonable requirements as Landlord may deem necessary in its sole discretion, including but not limited to the manner in which the work is done, the right to approve the contractor by whom the work is to be performed, and the times during which the work is to be accomplished. If Landlord authorizes persons requested by Tenant to perform any alterations, repairs, modifications or additions to the Premises, then, prior to the commencement of any such work, Tenant shall upon request deliver to Landlord such payment and performance bonds or other security as Landlord may require, and certificates issued by insurance companies qualified to do business in the State of Colorado, evidencing that Workmen ' s Compensation, public liability insurance and property damage insurance, all in amounts, with companies and on forms satisfactory to Landlord, are in force and effect and maintained by all contractors and subcontractors engaged by Tenant to perform such work. All such policies shall name Landlord as an additional insured. Each such certificate shall provide that the insurance policy may not be canceled or modified without thirty (30) days, prior written notice to Landlord. Further, Tenant shall permit Landlord to post notices in the Premises in locations which will be visible by persons performing any work on the Premises stating that Landlord is not responsible for the payment for such work and setting forth such other information as Landlord may deem necessary. All Tenant alterations, repair and maintenance work shall be performed in such a manner as not to interfere with, delay, or impose any additional expense upon Landlord in the maintenance or operation of the Building or upon other tenants' use of their premises.

(c) In the event Landlord consents to the making of any alterations, additions or improvements to the Premises by Tenant, the same shall be made by Tenant at Tenant's sole cost and expense. Upon the expiration or sooner termination of the Term hereof, Tenant shall, upon written demand by Landlord, given at least thirty (30) days after the end of the Term, at Tenant's sole cost and expense, forthwith and with all due diligence, remove any alterations, additions or improvements made by Tenant which are designated by Landlord to be removed, and Tenant shall, forthwith and with all due diligence, at its sole cost and expense, repair any damage to the Premises or Property caused by such removal such that by the end of the Term (or Option Term if the Option has been properly exercised by Tenant), the Premises are restored to their condition which existed on the first day that Tenant opened the Premises for business.

(d) Landlord may at any time immediately require, at Landlord's sole option, that Tenant shall provide to Landlord, at Tenant's sole cost and expense, a lien and completion bond

in an amount equal to one and one-half (1 1/2) times the estimated cost of any improvements, additions or alterations in the Premises which Tenant desires to make, to insure Landlord against any liability for mechanics and material men's liens and to insure completion of the work.

(e) Tenant shall have full use of all furniture, fixtures, and equipment that are available in Premises. Landlord will timely remove any non-fixture items left in Premises by previous occupant as directed by Tenant.

12. MAINTENANCE AND REPAIR

(a) By entry hereunder, Tenant shall be deemed to have accepted the Premises as being in good, sanitary order, condition and repair. Tenant shall, at Tenant's sole cost and expense, keep the Premises and every part thereof in good condition and repair (except as hereinafter provided with respect to Landlord's obligations) including but not limited to the maintenance, replacement and repair of any storefront, doors, window casements, glazing, plumbing, pipes, electrical wiring and conduits, and the heating and air conditioning ("HVAC") system. Within thirty (30) days of the Rent Commencement Date, Landlord shall obtain a service contract for repairs and maintenance of the HVAC system which conforms to the requirements under the warranty, if any, on such system which will be paid for by Tenant as a CAM charge. Tenant shall, upon the expiration or sooner termination of this Lease, surrender the Premises to Landlord in good condition, broom clean, ordinary wear and tear excepted. Any damage to adjacent premises caused by Tenant or Tenant's use of the Premises shall be repaired at the sole cost and expense of Tenant.

(b) Notwithstanding the provisions of subparagraph (a) above, Landlord shall repair and maintain the structural portions of the Building, including the exterior walls and roof, unless such maintenance and repairs are caused directly or indirectly in part or in whole by the act, neglect, fault or omission of any duty by Tenant, its agents, servants, employees, invitees, or any damage caused by breaking and entering, in which case Tenant shall pay to Landlord the actual cost of such maintenance and repairs. Landlord shall not be liable for any failure to make such repairs or to perform any maintenance unless such failure shall persist for an unreasonable time after written notice of the need of such repairs or maintenance is given to Landlord by Tenant. Except as provided in paragraph 26 below, there shall be no abatement of Rent and no liability of Landlord by reason of any injury to or interference with Tenant's business arising from the making of any repairs, alterations or improvements in or to any portion of the Property including the Premises or the Common Areas or in or to fixtures, appurtenances and equipment therein. Tenant waives the right to make repairs at Landlord's expense under any law, statute or ordinance now or hereafter in effect.

13. LIENS

(a) Tenant shall keep the Shopping Center including the Property free and clear of any liens arising out of any work performed, materials furnished or obligations incurred by or on behalf of Tenant.

(b) Tenant hereby agrees to indemnify Landlord for, save Landlord harmless from, and defend Landlord against all liability, loss, damage, costs or expenses, including attorneys' fees and interest incurred on account of any claims of any nature whatsoever, including lien claims of laborers, material men, or others for work actually or allegedly performed for, or for materials or supplies actually or allegedly furnished to Tenant or persons claiming under Tenant. Should any such liens be filed or recorded against the Property or any portion of the Shopping Center, or should any action affecting the title thereto be commenced, Tenant shall cause such liens to be removed of record within five (5) days. If Tenant desires to contest any claim of lien, Tenant may do so only if within such five (5) day period Tenant posts adequate security with a court of competent jurisdiction and obtains an order discharging the lien of record, as then provided by the Colorado mechanics' lien statute. If a final judgment is entered establishing the validity or existence of any lien for any amount which lien has not been discharged or bonded off as herein above required, Tenant shall pay and satisfy the same at once. If Tenant shall be in default in paying any charge for which a mechanics' lien or suit to foreclose the lien has been recorded or filed, and shall not have caused the same to be released of record, Landlord may (but without being required to do so) pay such lien or claim and any costs, and the amount so paid, together with reasonable attorney's fees incurred in connection therewith, shall be immediately due from Tenant to Landlord as Additional Rent.

14. ASSIGNMENT AND SUBLETTING

(a) Tenant shall not (voluntarily, by operation of law or otherwise) assign, transfer, mortgage, pledge, hypothecate or encumber this Lease or any interest therein, and shall not sublet the Premises or any part thereof, or any right or privilege appurtenant thereto, or allow any other person (the employees, agents, servants and invitees of Tenant excepted) to occupy or use the Premises, or any portion thereof, without first obtaining the written consent of Landlord, which consent may be reasonably withheld. The transfer of a majority of the issued and capital stock of any corporate tenant or subtenant of this Lease or a majority of the total interest in any partnership, limited liability company or trust tenant or subtenant, however accomplished, and whether in a single transaction or in a series of related or unrelated transactions, will be deemed an assignment of this Lease or such sublease requiring the Landlord's consent in each instance. Any assignment or subletting without such consent shall be void, and shall, at the option of Landlord, constitute a default under the terms of this Lease. A consent to one assignment, subletting, occupation or use by any other person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation or use by another person. Subletting or assignment by subtenants or assignees shall not be permitted without Landlord's consent which may be withheld in its sole discretion.

(b) Tenant shall provide Landlord with a copy of any proposed sublease or assignment that contains the name and address of the proposed subtenant or assignee, the anticipated effective date of the proposed sublease or assignment, the duration of the term of any proposed sublease, and the amount of space any proposed subtenant will occupy. In addition, Tenant shall

provide reasonably detailed information regarding the proposed subtenant's or assignee's financial condition and credit history, relevant business history and experience, together with any other pertinent information which Landlord reasonably requires. Landlord may require an opportunity to meet and interview the proposed subtenant or assignee as well. For purposes of Landlord's consent to a proposed sublease or assignment, it shall be considered reasonable for Landlord to consider among other factors: (i) the relative financial strength, business reputation and operational/management experience of Tenant and the proposed subtenant or assignee, and (ii) whether the use of the Premises after such sublease or assignment would adversely affect the tenant mix in the Shopping Center, create any nuisance or violate any federal, state or local laws or any lease or agreement affecting the Shopping Center or involve Hazardous Material. In no event shall Landlord be required to consent to any sublease or assignment to any current tenant of the Shopping Center or to any person or entity with whom Landlord or its agent had contacted, negotiated or given or received any written or oral proposal regarding a lease of space in the Building within the six-month period preceding Tenant's request. Tenant agrees that Landlord, as a condition to giving its consent to any assignment or subletting, may require that the amount of the Rent payable under this Lease be adjusted to what is then the market value for property similar to the Premises as then constituted. In any event, Tenant shall pay to Landlord all of the excess Rent or other consideration received by Tenant from the subtenant or assignee over the Rent then being charged by Landlord to Tenant.

(c) If Landlord consents to a proposed assignment or sublease, the form of such assignment or sublease shall be satisfactory to Landlord and shall (i) incorporate this Lease in its entirety and be subject to its terms, (ii) provide that Tenant shall remain liable under this Lease, (iii) provide that subtenant will comply with all terms and conditions of this Lease, (iv) provide for assumption by an assignee of all the terms, covenants and conditions which this Lease requires Tenant to perform, and (v) include a requirement that any subtenant attorn to the Landlord. Landlord's consent will not be effective unless and until Tenant delivers to Landlord an original, duly executed assignment or sublease, as the case may be, in a form satisfactory to Landlord, as set forth herein. Tenant shall pay Landlord's reasonable attorneys' and other fees incurred for review of such assignment or sublease and all other materials submitted by Tenant in connection with the request for Landlord's consent.

(d) Any transfer for which consent is required of any party having a mortgage, deed, or trust or other encumbrance or of any lessor under any ground or underlying lease of all or any part of the Property shall not be effective unless and until such consent is given.

(e) Notwithstanding anything to the contrary contained in this Lease or otherwise, if a trustee in bankruptcy is entitled to assume control over Tenant's rights under this Lease, and assigns such rights to any third party, the Minimum Rent to be paid hereunder by such party shall be increased to the then current Minimum Rent (if greater than then being paid for the Premises) which Landlord would charge for comparable space in the Building as of the date of such third party's occupancy of the Premises.

(f) Notwithstanding anything to the contrary contained in this Lease or otherwise, Tenant shall have no right to assign this Lease or sublet any portion of the Premises during any period that all or any portion of the Minimum Rent is abated.

15. HOLD HARMLESS

(a) Tenant shall indemnify and hold Landlord harmless against and from any and all claims of liability for any injury (including death) or damage to any persons or property whatsoever arising from Tenant's use of the Premises or the Common Areas or from the conduct of its business or from any activity, work or other things done, permitted or suffered by Tenant in or about the Premises and/or the Shopping Center, and shall further indemnify and hold Landlord harmless against and from any and all such claims arising from any breach or default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease, or when such injury or damage is caused in whole or in part by the act, neglect, fault or omission to act on the part of Tenant, its agents, contractors, employees or invitees, and from all costs, attorneys' fees and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon, and in case any action or proceeding be brought against Landlord by reason of such claim, Tenant upon notice from Landlord shall defend the same at Tenant's expense by counsel reasonably satisfactory to Landlord. Notwithstanding the preceding and without diminishing Tenant's obligations set forth above, Landlord reserves the right to select its own counsel in defending any such claim, action or proceeding, and Tenant shall immediately reimburse Landlord upon demand for all fees and expenses incurred in connection therewith. Landlord shall also not be liable to Tenant for any damage by or from any act or negligence of any third party, co-tenant or other occupant of the Building, or by any owner or occupant of adjoining or contiguous property. Tenant agrees to pay for all damage to the Premises and the Shopping Center, and to tenants or occupants thereof, caused by Tenant's misuse or neglect of the Premises and/or any portion of the Shopping Center. Tenant shall give prompt notice to Landlord in case of casualty or accidents in the Premises or the Shopping Center, or of defects therein or in the fixtures or equipment.

(b) Tenant, as a material part of the consideration to Landlord for this Lease, hereby waives and releases all claims against Landlord, its employees and agents with respect to all matters for which Landlord has disclaimed liability pursuant to the provisions of this Lease. Except as may be provided herein, Tenant covenants and agrees that Landlord and its employees will not at any time or to any extent whatsoever be liable, responsible or in any way accountable for any loss, injury, death or damage to persons, property or Tenant's business occasioned by any cause, either ordinary or extraordinary. In no event will Landlord or any mortgagees be responsible for any consequential damages incurred by Tenant, including, but not limited to, lost profits or interruption of business as a result of any alleged default by Landlord.

(c) Tenant, as a material part of the consideration to Landlord, hereby assumes all risk of damage to property or injury to persons in, upon or about the Premises, from any cause

whatsoever, and Tenant hereby waives all claims in respect thereof against Landlord, unless caused by or due to the gross negligence of Landlord, its agents, servants or employees and not caused in whole or in part by Tenant. Neither Landlord nor its agents shall be liable for any loss or damage to persons or property, including but not limited to resulting loss of use and additional expenses to property entrusted to Landlord, its agents or employees, or the building manager, if any, nor for the loss or damage, including resulting loss of use and additional expenses, to any property by theft or otherwise, by any means whatsoever, nor for any injury (including death) or damage to persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water or rain which may leak from any part of the Building or from the pipes, appliances or plumbing works therein or from the roof, street or subsurface or from any other place resulting from dampness or any other cause whatsoever. Landlord or its agents shall not be liable for interference with the light, air, or for any latent defect in the Premises. Neither Landlord nor its agents shall be liable for any loss, cost, damage, bodily injury (including death) or personal injury arising or resulting from the criminal activities of third persons. Tenant agrees that Landlord is not responsible for the safety or security of Tenant, its agents including employees or invitees, and Tenant hereby assumes all responsibility for the safety and security of such parties.

16. WAIVER OF SUBROGATION

Tenant hereby waives any and all rights of recovery against Landlord (and against the tenants of other space in the buildings located on the Property), or against the officers, employees, agents or representatives of Landlord or such other tenants, for loss of or damage to property, if such loss or damage is covered by any insurance policy in force (whether or not described in this Lease) at the time of such loss or damage or was required to be covered pursuant to the terms of this Lease. Landlord hereby waives any and all rights of recovery against Tenant, or against the officers, employees, agents or representatives of Tenant, for loss of or damage to property, if such loss or damage is covered by any insurance policy in force (whether or not described in this Lease) at the time of such loss or damage or was required to be covered pursuant to the terms of this Lease. Landlord and Tenant shall give notice to their respective insurance carriers of this mutual waiver of subrogation.

17. INSURANCE

(a) Commencing on the Rent Commencement Date and continuing throughout the Lease Term, Landlord shall carry and maintain the following insurance ("Landlord's Insurance"): (a) an "all-risk" form of insurance policy, with an endorsement insuring against loss of Minimum Rent (including Extended Period of Recovery, if applicable) insuring the buildings and improvements of the Property (and leasehold improvements, to the extent the same are paid by Landlord) for 100% of their replacement value and (b) any other policy(s) of insurance which Landlord obtains on or relating to the Property or Landlord's mortgagee(s) for the Property requires to be kept in force, including but not limited to liability and casualty insurance on the Common Areas.

(b) Tenant shall, from and after Substantial Completion or at such earlier date that Tenant takes possession of the Premises and at all times during the Lease Term, at its sole cost and expense, carry and maintain the following insurance ("Tenant's Insurance") with respect to the Premises: (a) fire and extended coverage insurance insuring all additions, alterations and improvements made by the Tenant to the Premises and all of its fixtures, inventory, furniture and equipment for the full replacement value thereof with the broadest possible coverage ("all risk" form) on a minimum of 80% co-insurance form insuring against all risks of direct physical loss and excluding only such unusual perils as nuclear attack, earth movement, flood, and war; (b) public liability, bodily injury and damage comprehensive insurance coverage insuring against claims of any and all personal injury, death or damage occurring in or about the Premises or the sidewalks adjacent thereto, with a combined single limit coverage of not less than \$2,000,000 (subject only to a commercially reasonable deductible), on an "occurrence" form and including contractual liability coverage for the performance by Tenant of the indemnity agreements set forth in paragraph 15 above; (c) workmen's compensation insurance insuring against and satisfying the workmen's compensation laws of the State of Colorado; (d) plate glass insurance sufficient to discharge Tenant's obligations as provided above; and (e) in the event liquor, beer, or wine is sold on the Premises in any form, liquor liability insurance. Landlord or Landlord's mortgagee may reasonably require increases in the above-described coverage from time to time, in which Tenant shall obtain the same and pay the costs thereof. Tenant's Insurance shall be issued by an insurance company of recognized standing, authorized to do business in the State of Colorado and having a Best's Insurance Guide rating of at least A and satisfactory to Landlord. Tenant's Insurance (other than any policy of workmen's compensation insurance) will name Landlord and such other persons or firms as Landlord specifies from time to time as additional insureds. Original or copies of original policies (together with copies of the endorsements naming Landlord, and any others specified by Landlord as additional insureds) and evidence of the payment of all premiums of such policies will be delivered to Landlord prior to the Rent Commencement Date, on each anniversary thereof, and at least thirty (30) days prior to any date a prior policy expires. All public liability and property and damage liabilities maintained by Tenant will contain a provision that Landlord and any other additional insured will be entitled to recover under such policies for any loss sustained by them, their agents and employees as a result of the acts or omissions of the Tenant. Tenant's Insurance will provide that it may not be terminated or amended except after thirty (30) days prior written notice to Landlord. All public liability property damage, liability and casualty policies maintained by Tenant shall be written as primary policies, not contributing with and not supplemental to coverage that Landlord may carry.

(c) Tenant shall pay Tenant's Pro Rata Share of the premiums for Landlord's Insurance ("Insurance Costs") which are attributable to the Lease Term. Tenant shall pay Landlord a sum equal to Landlord's estimate of one-twelfth (1/12) of the annual Insurance Costs payable by Tenant under this Lease, together with each payment of Minimum Rent. Landlord shall have the right to periodically review and revise its estimate of anticipated Insurance Costs, if deemed necessary by Landlord. Upon any such revision, Landlord will submit a revised statement of the

Landlord's Initials

anticipated Insurance Costs to Tenant. Tenant agrees to pay any deficiency to date based on the revised statement with its next due payment of Minimum Rent and thereafter pay the revised monthly amount of anticipated Insurance Costs until further notified by Landlord. Landlord shall not be required to keep such payments separate from its general funds. If unknown, Landlord shall reasonably estimate the amount of Insurance Costs when installments are due. Tenant shall pay any deficiency of funds to Landlord upon written request. If Tenant defaults under this Lease, Landlord may apply any such funds to any obligation then due under this Lease. Landlord shall furnish Tenant with written evidence of the existence of Landlord's Insurance, and the payment of the premiums therefor, if requested by Tenant

18. UTILITIES

(a) Tenant shall pay upon demand for all water, gas, heat, light, power, sewer charges, telephone service and all other services and utilities supplied to the Premises, together with any taxes thereon. If any such services are not separately metered to Tenant, Tenant shall pay upon demand a reasonable proportion, to be determined by Landlord, of all charges jointly metered with other premises.

(b) Landlord has advised Tenant that presently Intermountain Rural Electric Association ("Electric Service Provider") is the utility company selected by Landlord to provide electricity for the Property. Notwithstanding the foregoing, if permitted by Law, Landlord shall have the right at any time and from time to time during the Lease Term to either contract for service from a different company or companies providing electricity service (each such company shall hereinafter be referred to as an "Alternative Service Supplier") or continue to contract for service from the Electric Service Provider. Tenant shall cooperate with Landlord, the Electric Service Provider, and any Alternative Service Provider at all times and, as reasonably necessary, shall allow Landlord, Electric Service Provider, and any Alternate Service Provider reasonable access to the electric lines, feeders, risers, wiring, and any other machinery within the Premises which may serve the Property.

(c) Landlord does not warrant or guarantee the continued availability of any or all of the utility services necessary or desirable for the use of the Premises by Tenant. In no event shall the interruption, diminution or cessation of such services be construed as an actual or constructive eviction of Tenant, nor shall Tenant be entitled to any abatement of its Rent obligations under this Lease or on account thereof. Landlord shall in no way be liable or responsible for any loss, damage, or expense that Tenant may sustain or incur by reason of any change, failure, interference, disruption or defect in the supply or character of the utilities furnished to the Premises, and no such change, failure, unavailability or unsuitability shall constitute an actual or constructive eviction, in whole or in part, or entitle Tenant to any abatement, reduction, setoff or diminution of rent, or relieve Tenant from any of its obligations under the Lease.

(d) Without incurring any liability for damages and without entitling Tenant to any

Landlord's Initials

abatement of its Rent obligations under this Lease, Landlord reserves the right to suspend any and all utilities service to the Premises when, in Landlord's reasonable discretion, such suspension is necessitated including, but not limited to, by reason of accident, unavailability of employees or materials at reasonable cost, repairs, strikes, lockouts, riots, acts of God, acts of war or terrorism, application of applicable laws, statutes, rules and regulations, inspections, alterations or improvements, until any of the same have been completed. In such event, Landlord shall not be deemed guilty of a breach or default of this Lease, nor shall such suspension constitute an actual or constructive eviction, in whole or in part, or entitle Tenant to any abatement, reduction, setoff or diminution of rent, or relieve Tenant from any of its obligations under the Lease. If feasible, Landlord shall give Tenant prior notice of any interruption of utility services.

19. QUIET ENJOYMENT

So long as Tenant is not in default under any provisions of this Lease and observes and performs all of the covenants, conditions and provisions on Tenant's part to be observed and performed hereunder, Tenant is entitled to the quiet enjoyment and peaceful possession of the Premises subject to the provisions of this Lease. Landlord shall under no circumstances be held responsible for restriction or disruption of access to the Shopping Center (including the Building or Premises) from public streets caused by construction work or other actions taken by or on behalf of governmental authorities, or for actions taken by other tenants (their employees, agents, visitors, contractors or invitees), or any other cause not entirely within Landlord's direct control, and same shall not constitute a constructive eviction of Tenant nor give rise to any right or remedy of Tenant against Landlord of any nature or kind. This covenant of quiet enjoyment is in lieu of any covenant of quiet enjoyment provided or implied by law, and Tenant expressly waives any such other covenant of quiet enjoyment to the extent broader than the covenant contained in this paragraph.

20. PERSONAL PROPERTY

(a) Any property of Tenant remaining in the Premises at any time when Landlord recovers possession of the Premises or upon the termination of this Lease for any cause whatsoever shall conclusively be deemed to have been abandoned and may be appropriated, sold, stored, destroyed or otherwise disposed of by Landlord without notice to Tenant or any other person and without obligation to account therefor; and Tenant shall pay Landlord for all expenses incurred in connection with the disposition of such property.

(b) Tenant hereby grants to Landlord a lien upon and a security interest in all property now owned or hereafter acquired by Tenant which shall be brought into or be placed upon the Premises, to secure the payment of Rent and the performance of each and every other obligation hereunder to be performed by Tenant. Following any event of default Landlord, without notice

or demand, may take possession of and sell such property without legal process of any kind, at public and private sale upon giving such notices, if any, as may be required by law. The proceeds of any such sale shall be applied first to the payment of any and all expenses and fees incurred in connection therewith, and then to any amounts due or payable under this Lease from Tenant to Landlord, and the surplus, if any, to Tenant. Tenant agrees to execute and record any financing statements and other documents deemed necessary by Landlord to perfect or record the lien herein granted.

21. RULES AND REGULATIONS

Tenant shall faithfully observe and comply with the rules and regulations that Landlord shall from time to time promulgate and/or modify for the safety, care and cleanliness of the Premises, Building and Shopping Center and the preservation of good order therein. Landlord shall not be responsible to Tenant for the nonperformance of any such rules and regulations by any other tenants or occupants. The violation of any of such rules and regulations by Tenant shall be deemed an event of default of this Lease by Tenant, affording Landlord all those remedies set out herein.

22. FAILURE TO SURRENDER POSSESSION

(a) The parties recognize and agree that the damage to Landlord resulting from any failure by Tenant to timely surrender possession of the Premises will be substantial, will exceed the amount of the monthly installments of the Rent payable hereunder, and will be impossible to measure accurately.

(b) Tenant therefore agrees that if possession of the Premises is not surrendered to Landlord upon the expiration or sooner termination of this Lease, in addition to any other rights or remedies Landlord may have hereunder or at law, Tenant shall pay to Landlord, as liquidated damages, for each month and for each portion of any month during which Tenant holds over in the Premises after the expiration or sooner termination of this Lease, a sum equal to one and one-half (1 1/2) times the aggregate of that portion of the monthly Minimum Rent and Additional Rent that was payable under this Lease during the last month of the Term hereof. Tenant agrees that such liquidated damages are a reasonable estimate of damages, enforceable in accordance with the terms of this subparagraph, and that such does not constitute a penalty. The provisions of this subparagraph shall survive the expiration or sooner termination of this Lease.

(c) No provisions of this paragraph 22 or any other provision of this Lease shall be deemed to permit Tenant to retain possession of the Premises after the expiration or sooner termination of the Lease Term, or to have extended or renewed the Lease Term beyond its expiration or termination, except by timely and proper exercise by Tenant of the Option as provided in subparagraph 4(b) above (if applicable).

23. ENTRY BY LANDLORD

Landlord shall at any and all times have the right to enter the Premises to inspect the same, to show the Premises to prospective purchasers or tenants, or to existing or prospective mortgages, and to post notices of non-responsibility .Tenant also agrees that Landlord may at any time and from time to time place on the Property or the Premises a sign advertising the Property or the Premises for sale or for lease. Landlord shall also have the right to conduct such maintenance and repair of the Premises (or the Building) as Landlord may deem necessary, without abatement of Rent, and for that purpose may erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed, always providing that the entrance to the Premises shall not be unreasonably blocked thereby, and further provided that the business of Tenant shall not be interfered with unreasonably. Tenant hereby waives any claim for damages or for any injury or inconvenience to or interference with Tenant's business, loss of occupancy or quiet enjoyment of the Premises, and any other loss occasioned thereby. For each of the aforesaid purposes, Landlord shall at all times have and retain a key with which to unlock all of the doors in, upon and about the Premises, excluding Tenant's vaults, safes and files. Landlord shall have the right to use any and all means which Landlord may deem proper to open said doors in an emergency, in order to obtain entry to the Premises without liability to Tenant. Any entry to the Premises obtained by Landlord by any of such means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of the Premises, or an eviction of Tenant from the Premises or any portion thereof.

24. TENANT'S DEFAULT

The occurrence of anyone or more of the following shall constitute an event of default and breach of this Lease by Tenant:

- (a) the vacating or abandonment of the Premises by Tenant or failure by Tenant to continually operate its business in the Premises during Ordinary Business Hours and such cessation or curtailment occurs for more than ten (10) days;
- (b) failure by Tenant to pay any Rent when required hereunder;
- (c) failure by Tenant to take possession of the Premises within thirty (30) days of the Rent Commencement Date.
- (d) failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease to be observed or performed by Tenant where such failure shall continue for a period of thirty (30) days after written notice thereof by Landlord to Tenant, unless Landlord in its sole discretion decides to provide an additional cure period to Tenant which in any event will always be conditioned upon 1) the nature of Tenant's default is such that more than thirty (30) days are reasonably required for its cure, and 2) Tenant commencing such cure within said 30-day period and thereafter diligently prosecuting such cure to completion;
- (e) the taking of this Lease or the Premises or any part thereof upon execution or by other process of law directed against Tenant, or the taking upon or subject to any attachment at

 Tenant's Initials

the instance of any creditor or claimant against Tenant, and said attachment shall not be discharged or disposed of within fifteen (15) days after the levy thereof; or

(f) the making by Tenant of any general assignment or general arrangement for the benefit of creditors; or the filing by or against Tenant of a petition to have Tenant adjudged a bankrupt, or a petition or a reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Tenant, the same is dismissed within sixty (60) days); or the appointment of a trustee or a receiver to take possession of substantially all of the assets of Tenant or any guarantor of this Lease; or the attachment, execution or other judicial seizure of substantially all of the assets of Tenant or any guarantor of this Lease where such seizure is not discharged within thirty (30) days. Notwithstanding the cure period allowed by subparagraph

(g) above, it shall be an immediate default under this Lease if Tenant fails to surrender the Premises to Landlord upon the expiration or sooner termination of the Lease, or if any failure of Tenant to comply with any provision of this Lease jeopardizes any insurance coverage or causes or results in a dangerous condition on the Premises or the remainder of the Property, and such failure to comply is not immediately cured after notice thereof by Landlord to Tenant. In no event shall financial inability be considered a reasonable ground for failure of Tenant to cure any breach of, or failure to comply with, the provisions of this Lease.

25. LANDLORD'S REMEDIES

In the event of any such default or breach by Tenant, Landlord may take any of the following actions at any time thereafter, in its sole discretion, with or without notice or demand and without limiting Landlord in the exercise of any right or remedy which Landlord may have by reason of such default or breach specified herein and/or under the laws and/or judicial decisions of the State of Colorado.

(a) Landlord may terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate, Tenant shall immediately surrender possession of the Premises to Landlord, and Landlord shall be entitled to recover from Tenant all damages incurred by Landlord by reason of Tenant's default including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including repairs, renovation and alteration of the Premises; reasonable attorneys' fees; the worth at the time of award by the court having jurisdiction thereof of the amount by which the unpaid Rent called for herein for the balance of the Term after the time of such award exceeds the amount of such loss for the same period that Tenant proves could be reasonably avoided; and that portion of any leasing commissions paid by Landlord and applicable to the unexpired Term of this Lease.

(b) Landlord may reenter and take possession of the Premises or any part thereof, without demand or notice, and repossess the same and expel Tenant and any party claiming by, under or through Tenant, and remove the effects of both using such force for such purposes as may be necessary, without being liable for prosecution on account thereof of being deemed guilty of any manner of trespass, and without prejudice to any remedies for arrears of Rent or

right to bring any proceeding for breach of covenants or conditions. No such reentry or taking possession of the Premises by Landlord shall be construed as an election by Landlord to terminate this Lease unless a written notice of such intention is given to Tenant. No notice from Landlord hereunder or under a forcible entry and detainer statute or similar law shall constitute an election by Landlord to terminate this Lease unless such notice specifically so states. Landlord reserves the right, following any reentry or reletting, to exercise its right to terminate this Lease by giving Tenant such written notice, in which event this Lease will terminate as specified in such notice. After recovering possession of the Premises, Landlord may, from time to time, but shall not be obligated to, relet the Premises, or any part thereof, for the account of Tenant, for such term or terms and on such conditions and upon such other terms as Landlord, in its discretion, may determine. Landlord may make such repairs, alterations or improvements as Landlord may consider reasonably appropriate to accomplish such reletting, and Tenant shall reimburse Landlord upon demand for all reasonable costs and expenses (including but not limited to the costs of such repairs, alterations or improvements, leasing commissions and attorneys' fees) which Landlord may incur in connection with such reletting. Landlord may collect and receive the rents for such reletting but Landlord shall in no way be responsible or liable for any failure to relet the Premises, or any part thereof, or for any failure to collect any rent due upon such reletting. Notwithstanding Landlord's recovery of possession of the Premises, Tenant shall continue to pay on the dates herein specified, the Minimum Rent and all Additional Rent which would be payable hereunder if such repossession had not occurred, less a credit for the net amounts, if any, actually received by Landlord through any reletting of the Premises.

(c) Landlord may maintain Tenant's right to possession, in which case this Lease shall continue in effect whether or not Tenant shall have abandoned the Premises. In such event Landlord shall be entitled to enforce all of Landlord's rights and remedies under this Lease, including the right to recover the Rent as it becomes due hereunder.

(d) Except as provided in paragraph 25(e) below, Landlord shall be entitled to recover interest on any unpaid Rent at the highest rate provided by law.

(e) Suit or suits for the recovery of the amounts and damages set forth herein may be brought by Landlord, from time to time, at Landlord's election; and nothing herein shall be deemed to require Landlord to await the date that this Lease or the Term hereof would have expired had there been no such default by Tenant, or no such termination, as the case may be. Each right and remedy provided for in this Lease shall be cumulative and shall be in addition to every other right or remedy provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise, including, but not limited to, suits for injunctive relief and specific performance. The exercise or beginning of the exercise by Landlord of anyone or more of the rights or remedies provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by Landlord of any or all other rights or remedies provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise. All costs incurred by Landlord in

connection with collecting any amounts and damages owed by Tenant pursuant to the provisions of this Lease or to enforce any provision of this Lease, including reasonable attorneys' fees from the date any such matter is turned over to an attorney, shall also be recoverable by Landlord from Tenant. LANDLORD AND TENANT AGREE THAT ANY ACTION OR PROCEEDING ARISING OUT OF THIS LEASE SHALL BE HEARD BY THE COURT SITTING WITHOUT A JURY, AND THEY HEREBY WAIVE ALL RIGHTS TO TRIAL BY JURY. In the event of default, in addition to all other remedies therefor, Landlord shall be entitled to receive from Tenant all sums the payment of which may previously have been waived by Landlord, or which may have been paid by Landlord, pursuant to any agreement by Landlord to grant Tenant a rental abatement or other monetary inducement or concession, including any tenant finish allowance and all other payments made by Landlord to or on behalf of Tenant, together with interest on such amounts at the rate of twenty-one percent (21%) per annum, from the date or dates such amounts were paid by Landlord or would have been due from Tenant but for the abatement, until finally paid or repaid.

26. DEFAULT BY LANDLORD

Landlord shall not be in default under this Lease unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event later than thirty (30) days after written notice by Tenant to Landlord and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall theretofore been furnished to Tenant in writing, specifying wherein Landlord has failed to perform such obligation; provided, however, that if the nature of Landlord's obligations is such that more than thirty (30) days are required for performance then Landlord shall not be in default if Landlord commences performance within such thirty (30) day period and thereafter reasonably prosecutes the same to completion.

27. RECONSTRUCTION

(a) Subject to the provisions of subparagraphs (b) and (c) below, in the event the Premises or any other portion of the Building is damaged by fire or other perils covered by extended coverage insurance, and such damage does not require structural demolition and reconstruction of all or part of the Building, Landlord agrees to forthwith repair such damage and this Lease shall remain in full force and effect, except that Tenant shall be entitled to a proportionate reduction of Minimum Rent from the date of damage until completion of such repairs, based on the extent to which the damage and making of such repairs shall reasonably interfere with the business carried on by Tenant in the Premises.

(b) In the event that any casualty requires structural demolition and reconstruction of all or part of the Building (whether or not such reconstruction involves any portion of the Premises), Landlord may, at its election, give notice to Tenant at any time within sixty (60) days after such damage, terminating this Lease as of a date specified in such notice not more than thirty (30) days after the giving of such notice. In the event of giving such notice, this Lease and

all interest of Tenant in the Premises shall terminate on the date so specified in such notice, and the Minimum Rent, reduced by a proportionate reduction, based upon the extent, if any, to which such damage interfered with the business carried on by Tenant in the Premises, shall be paid up to date of such termination. In the alternative, Landlord may, by written notice to Tenant within such 60-day period, elect to repair or restore such damage, in which case the Minimum Rent shall be proportionately reduced as provided in subparagraph (a) above and this Lease shall continue in full force and effect; PROVIDED, HOWEVER, that Landlord shall have the right to alter the size and configuration of the Building in the course of such reconstruction, so long as the Building as reconstructed is an integrated architectural unit consistent with the specifications set forth in Exhibit "B" and the dimensions of the Premises are substantially the same as prior to such casualty.

(c) Notwithstanding anything to the contrary contained in this paragraph 27, Landlord shall not have any obligation whatsoever to repair any injury or damage by other cause to any leasehold improvements, fixtures or other personal property of Tenant, or to repair, reconstruct or restore the Premises or any other part of the Building when the damage resulting from any casualty occurs during the last nine months of the Term of this Lease or any extension thereof.

28. EMINENT DOMAIN

If more than twenty-five (25%) percent of the Premises shall be taken or appropriated by any public or quasi-public authority under the power of eminent domain, either party hereto shall have the right, at it's option, within sixty (60) days after said taking, to terminate this Lease upon thirty (30) days written notice. If less than twenty-five (25%) percent of the Premises or the property is taken (or if more than 25% is taken but neither party elects to terminate as herein provided), the Minimum Rent thereafter to be paid shall be equitably reduced. If any part of the Property other than the Premises shall be so taken or appropriated, Landlord shall within sixty (60) days of said taking have the right at its option to terminate this Lease upon written notice to Tenant. In the event of any taking appropriation whatsoever, Landlord shall be entitled to any and all awards and/or settlements which may be given (Tenant hereby assigning to Landlord any rights to the same), and Tenant shall have no claim against Landlord for the value of any unexpired Term of this Lease.

29. SIGNS

Tenant may affix and maintain upon the glass panes and supports of the show windows and within twelve (12) inches of any window and upon the exterior walls of the Premises only such signs, advertising placards, names, insignia, trademarks and descriptive material as shall have first received the written approval of Landlord as to type, size, color, location, copy nature and display qualities. Notwithstanding anything to the contrary contained in this Lease or otherwise, Tenant shall not affix any sign to the roof. Tenant shall, however, erect one sign on the front of the Premises not later than the date Tenant opens for business, in accordance with a design conforming to Landlord's sign criteria set forth in Exhibit "C" attached hereto. Upon expiration

Landlord's Initials

Tenant's Initials

or earlier termination of this Lease, Tenant shall remove such signage and repair any damage to the Building fascia resulting from the installation and removal of Tenant's sign(s). Tenant may place a temporary sign in the premises for the first sixty (60) days of the Lease.

30. DISPLAYS

Tenant may not display or sell merchandise or allow grocery carts or other similar devices to be stored or to remain outside the defined exterior walls and permanent doorways of the Premises. Tenant further agrees not to install any exterior lighting, amplifiers or similar devices or use in or about the Premises any advertising medium which may be heard or seen outside the Premises, such as flashing lights, searchlights, loudspeakers, phonographs or radio broadcasts.

31. AUCTIONS

Tenant shall not conduct or permit to be conducted any sale by auction in, upon or from the Premises whether said auction be voluntary, involuntary, pursuant to any assignment for the payment of creditors or pursuant to any bankruptcy or other insolvency proceeding.

32. HOURS OF BUSINESS

Tenant shall continuously during the entire Term hereof conduct and carry on Tenant's business in the Premises during the usual business hours of each and every business day as is customary for businesses of like character in the area in which the Property is located; provided, however, that this provision shall not apply if the Premises should be closed and the business of Tenant temporarily discontinued therein on account of strikes, lockouts or similar causes beyond the control of Tenant ("Ordinary Business Hours"). Tenant shall keep the Premises adequately stocked with products and/or merchandise, and with sufficient personnel to care for the patronage, and to conduct said business in accordance with sound business practice. In the event of default or breach by Tenant of any of the conditions contained in this paragraph, Landlord shall have, in addition to any and all remedies herein provided, the right at its option to collect not only the Rent herein provided, but supplemental rent at the rate of one-thirtieth (1/30th) of the Minimum Rent herein provided for each and every day that Tenant shall fail to conduct its business as herein provided; such supplemental rent shall be deemed to be liquidated damages for Tenant's failure to conduct its business as herein provided. Tenant agrees that such liquidated damages are a reasonable estimate of damages, enforceable in accordance with the terms of this paragraph, and that such does not constitute a penalty.

33. RELOCATION

INTENTIONALLY DELETED.

34. ACCORD AND SATISFACTION

Landlord's Initials
Tenant's Initials

No payment by Tenant, nor receipt by Landlord, of a lesser amount than the Rent herein stipulated shall be deemed to be other than on an account of the earliest stipulated Rent, nor shall any endorsement or statement on any check or any letter accompanying any check, or payment as Rent, be deemed an accord and satisfaction, and Landlord shall accept such check for payment without prejudice to Landlord's right to recover the balance of such Rent or pursue any other remedy available to Landlord. Tenant expressly waives any right it may have to claim that any payment due from Tenant to Landlord hereunder, which payment is less than the full amount due to the Landlord or claimed by Landlord, shall be deemed an accord and satisfaction. This waiver of Tenant's right to claim an accord and satisfaction shall be without regard to whether or not a dispute exists with regard to the amount claimed by Landlord. No payment by Tenant, nor receipt by Landlord, of a lesser amount than the full amount due pursuant to this Lease shall be deemed to be other than on an account of Tenant toward the amount claimed by Landlord, nor shall any letter or statement accompanying any such payment be deemed an accord and satisfaction, and Tenant hereby waives its right to so claim. Tenant agrees Landlord under all circumstances retains all of its rights under this Lease unless and until it signs a written agreement expressly waiving or relinquishing any such rights.

35. SUPPLEMENTAL CONSTRUCTION

Landlord reserves the right from time to time to construct other buildings on portions of the Property with or without any new Common Area, and by including within the existing Shopping Center other properties now or hereafter owned, leased or controlled by Landlord adjacent to or near the Property, and constructing on such additional property buildings and Common Areas. In this event, such new buildings, properties and Common Areas shall, at the election of Landlord, be treated as though they were originally a part of the Property; provided, however, that in such event Tenant's Pro Rata Share of CAM Costs, Taxes and Insurance Costs shall be appropriately adjusted to include any additional square footage contained in such new buildings or comprising additional properties added to the Property. Until Landlord makes such election, CAM Costs, Taxes and Insurance Costs shall continue to be allocated as though such supplemental construction had not occurred.

36. GEOGRAPHICAL RESTRICTION

It is understood and agreed and it is a condition precedent to the execution of this Lease by Landlord, that Tenant acknowledges that the Shopping Center draws its customers from a large geographic area and that the success of the Shopping Center and income of Landlord from the Property are dependent upon high customer traffic. Tenant agrees that throughout the Lease Term it shall not suffer or permit any person or entity under its control or connected or affiliated with it, whether as partner, shareholder, lender, employee or otherwise, to engage, directly or indirectly, in or to sell or to rent products to, any business which is the same as, or similar to, or in competition with, Tenant's business in the Premises within any building or building complex, any portion of which is located within a radius of five (5) miles from any point on the perimeter

of the Shopping Center. Tenant warrants and represents that by entering into this Lease, it will not be in breach of any restriction or agreement to which it is bound under any other lease or agreement to any other party.

37. SALE OF LIQUOR

Tenant shall not object and hereby consents to any application of any tenant (or their successors and assigns) to sell malt, vinous or spirituous liquors from its premises in the Shopping Center.

38. GROSS SALES REPORTS

Intentionally omitted

39. GENERAL PROVISIONS

(a) Submission of Lease. Submission of this Lease to Tenant for signature does not constitute a reservation of space or an option to lease. This Lease shall not be effective or binding on any party until fully executed by all parties hereto and any required guarantors.

(b) Inurement. Upon full execution, the terms of this Lease shall be binding upon and inure to the benefit of, and shall be enforceable by, all parties hereto, their personal and legal representatives, guardians, successors and assigns to the extent, but only to the extent that assignment is provided for in accordance with, and permitted by, the provisions of this Lease.

(c) Plats and Riders. Exhibits, clauses, plats, riders and addenda, if any, affixed to or referred to in this Lease are hereby made a part hereof.

(d) Waiver .The waiver by Landlord of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of Rent hereunder by Landlord shall not be deemed to be a waiver of any preceding default by Tenant of any term, covenant or condition of this Lease, other than the failure of Tenant to pay the particular Rent so accepted, regardless of Landlord's knowledge of such preceding default at the time of the acceptance of such Rent.

(e) Joint Obligation. If there be more than one Tenant, the obligations hereunder imposed shall be joint and several.

(f) Gender and Headings. Throughout this Lease, where such meanings would be appropriate the masculine gender shall be deemed to include the feminine and the neuter and vice versa, and the singular shall be deemed to include the plural, and vice versa. The headings herein are inserted only as a matter of convenience and reference, and in no way define or

describe the scope of the Lease, or the intent of any provisions hereof.

(g) Time. Time is of the essence with respect to Tenant's obligations under this Lease.

(h) Successors and Assigns. The covenants and conditions herein contained, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators and assigns of the parties hereto.

(i) Recordation. Tenant shall not record this Lease but Landlord may do so or Landlord may record a short form memorandum thereof.

(j) Late Charges. Tenant hereby acknowledges that late payment by Tenant to Landlord of Minimum Rent and scheduled Additional Rent due hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which would be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Landlord by terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of Rent due from Tenant shall not be received by Landlord or Landlord's designee within ten (10) days after the due date, then Tenant shall pay to Landlord (in addition to the subject Rent owed) a late charge equal to five percent (5%) per month on the outstanding balance or \$500, whatever is greater, plus any attorneys' fees incurred by Landlord by reason of Tenant's failure to pay Rent when due hereunder. Tenant agrees that such late charges represent a fair and reasonable estimate of the additional cost that Landlord will incur by reason of the late payment of Tenant, enforceable in accordance with the terms of this paragraph, and that such does not constitute a penalty. Acceptance of such late charges by Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of the other rights and remedies granted hereunder or otherwise available at law or in equity.

(k) Entire Agreement. This Lease contains all of the agreements of the parties hereto, and no prior agreement or understanding pertaining to any such matters shall be effective for any purpose and none of the parties shall have any responsibilities, liabilities, or other affirmative duties, except as stated herein. Without limiting the generality of the foregoing, Tenant acknowledges and agrees that it has not relied on any promises, inducements, representations, warranties or agreements by Landlord or its agents (including but not limited to any real estate agents or brokers) not expressly set forth in this Lease (collectively, the "Representations"), including but not limited to any Representations as to the desirability or suitability of the Premises for the Permitted Use, to procure its agreement hereto. LANDLORD AND TENANT EXPRESSLY AGREE THAT THERE ARE AND SHALL BE NO IMPLIED WARRANTIES OF MERCHANTABILITY, HABITABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OTHER WARRANTIES OF ANY OTHER KIND ARISING OUT OF THIS LEASE. No provision of this Lease may be amended or modified except by an agreement in writing signed by the parties hereto. The parties further acknowledge that this Agreement is contractual and not merely recital, and that they have read, understand ~~and~~ fully

agree to the terms of this Agreement.

(l) Inability to Perform. This Lease and the obligations of Tenant hereunder shall not be affected or impaired because Landlord is unable to or is delayed in fulfilling any of its obligations hereunder or is delayed in doing so, if such inability or delay is caused by reason of strike, labor troubles, failure to obtain labor or materials at a reasonable cost, acts of God, war, terrorism, riot, weather, or any other cause beyond the reasonable control of Landlord.

(m) Partial Invalidity. If any clause or provision of this Lease is illegal, invalid or unenforceable under present or future laws effective during the Term of this Lease, then and in that event, it is the intention of the parties hereto that the remainder of this Lease shall not be affected thereby; and it is also the intention of the parties to this Lease that in lieu of each clause or provision of this Lease that is illegal, invalid or unenforceable, there shall be added as a part of this Lease a legal, valid and enforceable clause or provision as similar in terms to such illegal, invalid or unenforceable clause or provision as may be possible.

(n) Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, whenever possible, be cumulative with all other remedies at law or in equity.

(o) Governing Law. This Lease and all provisions contained herein shall be construed pursuant to the laws of the State of Colorado, and any questions regarding the validity of any section and/or paragraph contained herein shall be determined pursuant to the laws of the State of Colorado.

(p) Transfer by Landlord. The term "Landlord" as used in this Lease, so far as covenants or obligations on the part of Landlord are concerned, shall be limited to mean and include only the owner or owners of the Property at the time in question. In the event of any transfer or transfers of the title to the Property, the Landlord herein named (and in the case of any subsequent transfers or conveyances, the then-grantor) shall be automatically released, from and after the date of such transfer or conveyance, from all liability with respect to the performance of any covenants or obligations on the part of Landlord contained in this Lease thereafter to be performed; provided that the grantee assumes the duty to perform Landlord's covenants and obligations hereunder, and provided that any funds in which Tenant has an interest in the hands of Landlord or the then-grantor at the time of such transfer shall be turned over to the grantee.

(q) Subordination, Attornment. This Lease, at Landlord's option, shall be subordinate to any mortgage, deed of trust, ground lease or declaration of covenants regarding maintenance and use of any areas contained in any portion of the Property (regardless of whether they now exist or are hereafter placed upon the Property), and to any and all advances made under such mortgage or deed of trust and to all renewals, modifications, consolidations, replacements and extensions thereof. Tenant agrees, with respect to any of the foregoing documents, that no documentation other than this Lease shall be required to evidence such subordination. If any holder of a mortgage or deed of trust shall elect for this Lease to be superior to the ~~lien~~ of its

mortgage or deed of trust, and shall give written notice thereof to Tenant, then this Lease shall automatically be deemed prior to such mortgage or deed of trust, whether this Lease is dated earlier or later than the date of said mortgage or deed of trust or the date of recording thereof. Tenant agrees to execute such documents as may be further required to evidence such subordination or to make this Lease prior to the lien of any mortgage or deed of trust, as the case may be, and by failing to do so within ten (10) days after written demand, in addition to all of Landlord's available remedies, Tenant does hereby make, constitute and irrevocably appoint Landlord as Tenant's attorney-in-fact and in Tenant's name, place and stead, to do so. This power of attorney is coupled with an interest. Tenant hereby attorns to all successor owners of the Property, whether or not such ownership is acquired as a result of a sale through foreclosure of a deed of trust or mortgage, or otherwise. Notwithstanding the foregoing, Tenant shall only be obligated to subordinate its leasehold interest to any mortgage, deed of trust, ground lease or declaration of covenants now or hereafter placed upon the Property if the holder of such mortgage or deed of trust or the landlord under such ground lease or the declarant under such declaration of covenants will grant to Tenant a non-disturbance agreement, using the form of document then being employed by such holder, landlord or declarant for such purposes, which will provide that Tenant, notwithstanding any default of Landlord hereunder, shall have the right to remain in possession of the Premises described herein in accordance with the terms and provisions of this Lease for so long as Tenant shall not be in default under this Lease.

(r) Merger. The termination or mutual cancellation of this Lease shall not work as a merger, and such termination or mutual cancellation shall, at the option of Landlord, either terminate all subleases and subtenancies or operate as an assignment to Landlord of any or all of such subleases or subtenancies.

(s) Bankruptcy. Landlord and Tenant understand that notwithstanding certain provisions to the contrary contained herein, a trustee or debtor in possession under the Bankruptcy Code of the United States may have certain rights to assume or assign this Lease. Landlord and Tenant further understand that, in any event, Landlord is entitled under the Bankruptcy Code to Adequate Assurance of future performance of the terms and provisions of this Lease. For purposes of any such assumption or assignment, "Adequate Assurance" shall include at least the following: (I) In order to assure Landlord that the proposed assignee will have the resources with which to pay the Rent called for herein, any proposed assignee must have, as demonstrated to Landlord's satisfaction, a net worth (as defined in accordance with generally accepted accounting principles consistently applied) at least as great as the net worth of Tenant on the date this Lease became effective, increased by seven percent (7%), compounded annually, for each year from the Rent Commencement Date through the date of the proposed assignment. The financial condition and resources of Tenant were a material inducement to Landlord in entering into this Lease; and (ii) Any proposed assignee of this Lease must assume and agree to be personally bound by the terms, provisions, and covenants of this Lease.

(t) Landlord's Assignment. The Tenant does specifically allow and permit the Landlord to execute an Assignment Agreement, including a General Assignment of rents, and to assign

Any notice may be served by Landlord upon Tenant personally by delivering the same to an employee of Tenant, or to Tenant directly. Any notice shall be deemed duly served by either party if addressed as set forth below and (i) deposited with the United States Postal Service as certified mail, return receipt requested, with proper postage prepaid, or (ii) deposited with FedEx or other reliable overnight courier for expedited delivery. Either party may change the address to which the notices may be sent by delivering a copy thereof to the other party in the manner aforesaid. This power of attorney is coupled with an interest.

(w) Landlord's Interest in Property. Notwithstanding anything to the contrary contained herein, Landlord's liability under this Lease shall be limited to its interest in the Property and no other real, personal or other property of Landlord or of the owners of Landlord, or of any agents including employees, officers, directors, managers, partners, principals, affiliates, or related companies or other organizations of Landlord shall be subject to levy, attachment, or execution, or otherwise sued to satisfy any judgment. Tenant hereby waives any right to satisfy a judgment against Landlord except from Landlord's interest in the Property of which the Premises are apart.

(x) Time Period. For any approval, consent or other action required of Tenant herein for which no time period is specified, Tenant shall have no greater than fifteen (15) days to so approve, consent or take such action or such shall constitute an event of default and breach of this Lease.

(y) Authority. If Tenant is a corporation, partnership, trust or limited liability company, each individual executing this Lease on behalf of Tenant represents and warrants that Tenant is a duly authorized and existing entity, that Tenant is qualified to do business in the State of Colorado, that the entity has full right and authority to enter into this Lease, that he or she is duly authorized to execute and deliver this Lease on behalf of Tenant in accordance with the bylaws, partnership agreement or operating agreement (as the case may be) of Tenant, and that this Lease is binding upon Tenant. In the event any such representation or warranty is false, all persons who execute this Lease shall be liable, individually, for all of Tenant's obligations under the Lease.

(z) Facsimile Signature. The parties hereto agree that a facsimile signature may substitute for and have the same legal effect as the original signature. (aa) Rule of Construction. The Rule of Construction which provides that ambiguities in a contract are most strictly construed against the drafter shall not apply to this Lease. (bb) Survivability. Notwithstanding anything to the contrary contained in this Lease or otherwise, where the context of provisions of this Lease reasonably requires such an interpretation, or when provisions hereof require observance or performance by Landlord or Tenant subsequent to termination, those provisions of the Lease shall survive the termination of this Lease. (cc) Further Assurances. Tenant agrees to take whatever action or actions are deemed by Landlord reasonably necessary or desirable from time to time to effectuate the provisions or intent of this Lease, and to that end, Tenant agrees that it will execute, acknowledge, seal, and deliver any further instruments or documents which may be necessary to give force and effect to this Lease or any of the provisions hereof, or to carry out the intent of this Lease. (dd) Tenant Liability. The liability of Tenant pursuant to this Lease shall also include liability for any actions and/or omissions of Tenant's employees,

other agents, invitees and/or its contractors. (ee) Counterparts. This Lease may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Lease.

40. BROKERS

The parties agree that the Landlord shall pay the brokerage fees related to this transaction, and that the brokerage agencies involved in this transaction are Prime Management LLC (as Landlord's representatives) and Inverness Properties, LLC. The Landlord recognizes Jeremy Reeves and Bill Woodward as the exclusive representative of the Tenant and will pay a transaction fee to Inverness Properties, LLC upon completion of the transaction, pursuant to a separate agreement. Furthermore, each party agrees to indemnify and hold the other harmless from and against any claims by any other broker, agent or other person claiming a commission or other form of compensation related to this transaction.

41. ADDITIONAL PROVISIONS

2. At any time within or at the conclusion of such three (3) month period, assume the terms, covenants, obligations and conditions of the Lease for the remainder of the term, together with any applicable renewal options. In such event, Landlord and Franchisor shall enter into an agreement to document such assumption. OPERATING AGREEMENT

SSLP Spa, LLC

a

COLORADO LIMITED LIABILITY COMPANY

THIS AGREEMENT is made and entered into this 21st day of March 2011, by and between SSLP Spa, LLC, a Colorado limited liability company (the "Company") and Desiree Moore and Amber Long, hereinafter referred to as "Members."

WITNESSETH:

IT IS AGREED, in consideration of the promises, covenants, performance, and mutual consideration herein as follows:

I

FORMATION OF COMPANY

1.1. Articles of Organization. This Company is organized pursuant to the provisions of the Limited Liability Company Laws of the State of Colorado and pursuant to Articles of Organization filed with the Secretary of State on March 21, 2011. The rights and obligations of the Company and the Members shall be provided in the Articles of Organization and in this Operating Agreement.

1.2. Conflict between Articles of Organization and this Agreement. If there is any conflict between the provisions of the Articles of Organization and this Operating Agreement, the terms of the Articles of Organization shall control.

II

CAPITAL CONTRIBUTIONS

2.1. Contributions. The capital contributions to be made by the Members and with which the Company shall begin business are as follows:

<u>Member Name</u>	<u>Contribution</u>	<u>Interest</u>
Amber Long		50%
Desiree Moore		50%

2.2. Additional Capital Contributions. In the event that the cash funds of the Company are insufficient to meet its operating expenses or to finance new investments deemed appropriate to the scope and purpose of the Company as determined by the Managers, the Members shall make additional capital contributions, in the proportion of their capital contributions or as otherwise agreed. The amount of the additional capital required by the Company and the period during which such additional capital shall be retained by the Company shall be determined by the Managers.

2.3. Loans. In lieu of voting an additional assessment of capital to meet operating expenses or to finance new investments, the Company may, as determined by the Managers, borrow money from one or any of the Managers, Members, or third persons. In the event that a loan agreement is negotiated with a Manager or Member, he or she shall be entitled to receive interest at a rate and upon such terms to be determined by the Manager, and said loan shall be repaid to the Manager or Member, with unpaid interest, if any, as soon as the affairs of the Company will permit. The loan shall be evidenced by a promissory note obligating the assets of the Company. Such interest and repayment of the amounts so loaned are to be entitled to priority of payment over the division and distribution of capital contributions and profit among Members.

III

MEMBERS' ACCOUNTS; ALLOCATION OF PROFIT AND LOSS; DISTRIBUTIONS

3.1. Capital Accounts. A separate capital account shall be maintained for each Member. The capital accounts of each Member shall initially reflect the amounts specified in Section 2.1, and, if a Member has merely promised to contribute the amount specified in Section 2.1, the Company shall maintain a corresponding subscription receivable on behalf of that Member. No Member shall withdraw any part of his or her capital account, except upon the approval of the Managers. If the capital account of a Member becomes impaired, or if he or she withdraws said capital account with the approval of the Managers, his or her share of subsequent Company profits shall be credited first to his or her capital account until that account has been restored, before such profits are credited to his or her income account. If, during the period when a Member's capital account is impaired or he or she has withdrawn funds therefrom as hereinbefore provided, an additional contribution is required of the Members for the purposes

specified in Section 2.2, then the Member with withdrawn or impaired capital account shall be required to contribute his or her proportionate share of the additional capital contribution and the deficiency then existing in his or her capital account, so as to return the capital account to the same proportion existing as of the date of the additional contribution. No interest shall be paid on any capital contributions to the Company.

3.2. Income Accounts. A separate income account shall be maintained for each Member. Company profits, losses, gains, deductions, and credits shall be charged or credited to the separate income accounts annually unless a Member has no credit balance in his or her income account, in which event losses shall be charged to his or her capital account, except as provided in Section 3.1. The profits, losses, gains, deductions, and credits of the Company shall be distributed or charged to the Members as provided in Section 3.3. No interest shall be paid on any credit balance in an income account.

3.3 Allocations Among Members. Except as hereinafter provided, the profits and gains of the Company shall be divided and the losses of the Company shall be borne in the following proportions:

Desiree Moore	50%
Amber Long	50%

3.4 Distributions of Assets.

3.4.1 All distributions of assets of the Company, including cash, shall be made in the same allocations among Members as described in Section 3.3.

3.4.2 The Managers shall determine, in their discretion, whether distributions of assets of the Company should be made to the Members; provided, however, that no distribution of assets may be made to a Member if, after giving effect to the distribution, all liabilities of the Company, other than liabilities to Members on account of their capital and income accounts, would exceed the fair value of the Company assets.

3.4.3 A Member has no right to demand and receive any distribution from the Company in any form other than cash.

IV

RULES RELATING TO THE MEMBERS

4.1 Admission of New Members. Additional Members may be admitted upon the unanimous written consent of all Members.

4.2 Voting of Members. A Member shall be entitled to one vote on any matter for which Members are required to vote. A Member may vote in person or by proxy at any meeting of Members. All decisions of the Members shall be made by a vote of members owning a majority of the membership interests (as determined by the Members' respective interests in the profits and losses of the Company) at a properly called meeting of the Members at which a quorum is present; or by unanimous written consent of the Members.

4.3 Meetings of Members.

4.3.1 Meetings of Members may be held at such time and place, either within or out of the State of Colorado, as may be determined by the Managers or the person or persons calling the meeting.

4.3.2 An annual meeting of the Members shall be held at such time and place as shall be determined by a resolution of the Managers during each fiscal year of the Company. No such meeting is required.

4.3.3 Special meetings of the Members may be called by the Managers and by at least one-half of all of the Members entitled to vote at the meeting.

4.3.4 Written notice stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose for which the meeting is called, shall be delivered not less than three (3) days nor more than twenty (20) days before the date of the meeting, either personally or by mail, by or at the direction of the Managers or any other person calling the meeting, to each Member of record entitled to vote at such meeting. A waiver of notice in writing, signed by the Member before, at, or after the time of the meeting stated in the notice shall be equivalent to the giving of such notice.

4.3.5 By attending a meeting, a Member waives objection to the lack of notice or defective notice unless the Member, at the beginning of the meeting, objects to the holding of the meeting or the transacting of business at the meeting. A Member who attends a meeting also waives objection to consideration at such meeting of a particular matter not within the purpose described in the notice unless the Member objects to considering the matter when it is presented.

4.4 Quorum and Adjournment. Fifty percent (50%) of the Members entitled to vote shall constitute a quorum at the meeting of Members. If a quorum is not represented at any meeting of the Members, such meeting may be adjourned for a period not to exceed sixty (60) days at any one adjournment; provided, however, that if the adjournment is for more than thirty (30) days, a notice of the adjourned meeting shall be given to each Member entitled to vote at the meeting.

V

The Managers may authorize the preparation of year-end profit-and-loss statements, balance sheets, and tax returns by a public accountant.

VII

DISSOLUTION

7.1 Causes of Dissolution. The Company shall be dissolved upon the occurrence of any of the following events:

7.1.1 At any time by unanimous agreement of the Members;

7.1.2 Upon the expiration of the period fixed for the duration of the Company in its Articles of Organization;

7.1.3 Upon the death, retirement, resignation, expulsion, bankruptcy, or dissolution of a Member.

7.2 Continuation of Business. Notwithstanding a dissolution of the Company under Section 7.1, the Members may elect to continue the business of the Company, so long as there are at least two Members remaining who then consent to do so, by purchasing the deceased, retired, resigned, expelled, or bankrupt Member's ("Withdrawn Member") Membership Interest.

7.3 Purchase of Withdrawn Member's Membership Interest.

7.3.1 If the Members elect to continue the business under Section 7.2, the purchase price of the Withdrawn Member's Membership Interest shall be equal to 50% of the fair market value of the Withdrawn Member's interest in the Company as of the Effective Date. The purchase price is subject to set-off for any damages incurred as a result of the Withdrawn Member's actions, and nothing in this paragraph is intended to impair the Company's right to recover damages for the Withdrawn Member's wrongful dissolution of the Company by reason of the Withdrawn Member's expulsion, retirement, resignation, or bankruptcy.

7.3.2 The purchase price determined under Section 7.3.1 shall be paid to the Withdrawn Member within sixty days after the Effective Date; provided, at the election of the Member(s) acquiring the Withdrawn Member's interest, such purchase price shall be paid one-fifth plus accrued interest on the date of purchase and one-fifth plus accrued interest every six months thereafter until paid in full. Interest shall accrue at a rate equal to the Wall Street Journal prime rate plus two percent, not to exceed 12% per annum.

7.3.3 The Effective Date shall be the date of death of a deceased Member; the date personal notice is received, or the date the certified mail is postmarked, in the case of a retired or resigned Member; or the date the notice is delivered to the place of business of the Company, in case of bankruptcy of a Member.

7.4 Distribution of Assets If Business Is Not Continued. In the event of dissolution of the Company and if the Members do not elect to or are unable to continue the business of the Company under Section 7.3, the Managers shall proceed with reasonable

promptness to sell the real and personal property owned by the Company and to liquidate the business of the Company. Upon dissolution, the assets of the Company business shall be used and distributed in the following order:

7.4.1 Any liabilities and liquidating expenses of the Company will first be paid;

7.4.2 The reasonable compensation and expenses of the Managers in liquidation shall be paid;

7.4.3 The amount then remaining shall be paid to and divided among the Members in accordance with the statutory scheme for distribution and liquidation of the Company under the Colorado Limited Liability Company Act, as amended from time to time.

VIII

BANKRUPTCY OF A MEMBER

8.1 Bankruptcy Defined. A Member shall be considered bankrupt if the Member files a petition in bankruptcy (or an involuntary petition in bankruptcy is filed against the Member and the petition is not dismissed within sixty (60) days) or makes an assignment for the benefit of creditors or otherwise takes any proceeding or enters into any agreement for compounding his or her debts other than by the payment of them in the full amount thereof, or is otherwise regarded as insolvent under any Colorado insolvency act.

8.2 Effective Date for Bankruptcy. The Effective Date of a Member's bankruptcy shall be the date that the Managers, having learned of the Member's bankruptcy, give notice in writing stating that the Member is regarded as bankrupt under this Agreement, such notice to be served personally or by leaving the same at the place of business of the Company. As of the Effective Date, the bankrupt Member shall have no further rights as a Member of the Company, except to receive the amounts to which he or she is entitled under Section 7.3 and 7.4; provided, in the event the remaining Members elect to purchase the Bankrupt Member's share, the purchase price shall be 75% of the fair market value of such share.

IX

RETIREMENT OR RESIGNATION OF A MEMBER

9.1 Right to Retire or Resign. A Member shall have the right, at any time, to retire or resign as a Member of the Company by giving three (3) months' notice to the Company at the Company's place of business.

9.2 Consequences of Retirement or Resignation If The Business Is Continued. Upon giving notice of an intention to retire or resign, the Withdrawn Member shall be entitled to have his or her Membership Interest purchased as provided in Section 7.3 if the remaining Members elect to continue the business of the Company under Section 7.2. Upon the receipt of notice of the remaining Members' election to continue the business, the Membership Interest of the Withdrawn Member in the Company shall cease and terminate, and the Withdrawn Member shall only be entitled to the payments provided in Section 7.3.

9.3 Consequences of Retirement or Resignation If The Business Is Not Continued. If the remaining Members elect not to continue the business upon retirement or resignation of a Member, or are unable to do so by law, the Withdrawn Member shall only be entitled to his or her interest in liquidation, as stated in Section 7.4, subject to any setoff for damages caused by the Member's retirement or resignation.

X

DEATH OF A MEMBER

10.1 Death of a Member. Upon the death of a Member, the deceased Member's rights as a Member of the Company shall cease and terminate except as provided in this Article X.

10.2 Consequences of Death If Business Is Continued. If the surviving Members elect to continue the business as provided in Section 7.2, the Managers shall serve notice in writing of such election, within three (3) months after the death of the decedent, upon the executor or administrator of the decedent, or, if the time of such election no legal representative has been appointed, upon any one of the known legal heirs of the decedent at the last known address of such heir. The Company may purchase the Membership Interest of the deceased Member as provided in Section 7.3, and the closing of such purchase shall be within thirty (30) days of the notice of such election, except in the event the Company has life insurance on the decedent, in which event the amount and method of payment for the Membership Interest of the deceased Member will be as provided in Section 10.3. Alternatively, the Surviving Members may elect to admit the heirs upon distribution to them of the deceased Member's interest.

10.3 Insurance. The Company may contract for life insurance on the lives of each of the Members, in any amount not disproportionate to the value of each Member's Membership Interest. In the event of death of a Member, insurance proceeds paid to the Company will be used to purchase the Membership Interest of the deceased Member. The purchase price shall be the greater of the amount determined under Section 7.3 or the amount of insurance proceeds received by the Company. The payment of the purchase price to the decedent's representatives or heirs shall be made within thirty (30) days following receipt of the

insurance proceeds by the Company. If the surviving Members do not elect to continue the business of the Company, or are unable to do so by law, the proceeds of any life insurance shall be treated as an asset of the Company for liquidation.

10.4 Consequences of Death If the Business Is Not Continued. If the surviving Members do not elect to continue the business, or are unable to do so by law, the deceased Member shall only be entitled to his or her interest in liquidation as stated in Section 7.4.

XI

SALE OF A MEMBER'S INTEREST

11.1 Provisions Restricting Sale of Membership Interests. In the event that a Member desires to sell, assign or otherwise transfer his or her Membership Interest in the Company and has obtained a *bona fide* offer for the sale thereof made by some person not a member of this Company, he or she shall first offer to sell, assign or otherwise transfer the Membership Interest to the other Members at the same price and on the same terms as previously offered him or her by a third party, and each of the other Members shall have the right to purchase his or her proportionate share of the selling Member's Membership Interest (or such other shares as the purchasing Members decide.) In such event, such Member or Members shall purchase the selling Member's interest within sixty days of written notice of selling Member's intent to sell. If any member does not desire to purchase the Membership Interest on such terms or at such price and the entire Membership Interest is not purchased by the other Members, no other Members may purchase any part of the Membership Interest, and the selling Member may then sell, assign, or otherwise transfer his or her entire Membership Interest in the Company to the person making the said offer at the price offered. The intent of this provision is to require that the entire Membership Interest of a Member be sold intact, without fractionalization. A purchaser of a Membership Interest of the Company shall not become a Member without the unanimous consent of the non-selling Members, but shall be entitled to receive the share of profits, gains, losses, deductions, credits and distributions to which the selling Member would be entitled.

XII

MEMBERS' COVENANTS

12.1 Alienation of Membership Interest. No Member shall, except as provided in Article XI, sell, assign, mortgage, or otherwise encumber his or her Membership Interest in the Company or in its capital assets or property; or enter into any agreement of any kind that will result in any person, firm, or other organization becoming interested in him or her in the Company; or do any act detrimental to the best interests of the Company.

XIII

ARBITRATION

13.1 Arbitration. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach thereof shall be settled by arbitration in accordance with the rules then obtaining of the American Arbitration Association. Judgment upon the award rendered by said arbitration may be entered in any court having jurisdiction thereof. Costs of arbitration shall be paid by the loser. If one Member notifies the other Member in writing of a dispute, claim, or controversy and requests that the same be arbitrated, no legal action may then be commenced thereon, except to obtain judgment on the arbitration award.

XIV

MISCELLANEOUS PROVISIONS

14.1 Inurement. This Agreement shall be binding upon the parties hereto and their respective heirs, executors, administrators, successors, and assigns, and each person entering into this Agreement acknowledges that this Agreement constitutes the sole and complete representation made to him or her regarding the Company, its purpose and business, and that no oral or written representations or warranties or any kind or nature have been made regarding the proposed investments, nor any promises, guarantees, or representations regarding income or profit to be derived from any future investment.

14.2 Modification. This Agreement may be modified from time to time as necessary only by the written agreement of the Company, by a majority vote or consent of its Managers and its Members.

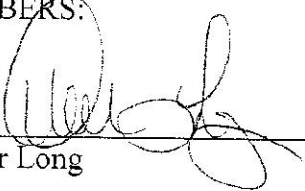

14.3 Severability. The provisions of this Agreement are severable and separate, and if one or more is voidable or void by statute or rule of law, the remaining provisions shall be severed therefrom and shall remain in full force and effect.

14.4 Governing Law. This Agreement and its terms are to be construed according to the internal laws of the State of Colorado.

14.5 Counterparts. This Agreement may be executed in counterparts and each such counterpart shall be deemed an original of the Agreement for all purposes.
