SUBJECT: PUBLIC CONTRACT WITH ERO RESOURCE CORPORATION IN THE AMOUNT OF \$16,473 WITH A COUNTY CONTRIBUTION OF \$1,647

BOARD OF COUNTY COMMISSIONER BUSINESS MEETING: SEPTEMBER 10, 2024 @ 1:30 PM

I. EXECUTIVE SUMMARY

This is a request to execute a contract between the Board of County Commissioners (Board) and ERO Resource Corporation (ERO) in the amount of \$16,473. The contract is to perform an archaeological site assessment and obtain recommendations on how to manage erosion of site 5DA.265. This project was awarded a State Historical Fund (SHF) grant in 2024. The County was awarded \$14,826 in SHF grant funds and will provide a \$1,647 cash match from the 2024 Parks, Trails, Historic Resources, and Open Space Sales Tax fund.

II. REQUEST

Approval of a public contract with ERO for archaeological research and site assessment.

III. BACKGROUND

In 1977, staff from the Colorado Department of Transportation (CDOT) discovered artifacts at site 5DA.265 while surveying the northern part of the Palmer Divide in Douglas County. The artifacts date from 7,500 to 150 years old. This discovery led to extensive excavations in 1979 that produced over 90,000 artifacts including projectile points, tools, ceramic sherds, and earth ovens. The collection is housed in the Repository and was reanalyzed by ERO in 2015 using funds from a SHF grant with contributing funds from CDOT. ERO also used the grant funds to nominate the site for the National Register of Historic Places; it was officially listed in April 2020. Reevaluation of the site in 2013 determined that site 5DA.265 retains significant subsurface cultural deposits and could

contribute additional information significant to the interpretation of the regional prehistory.

On June 3, 2024, the SHF notified staff that the County was awarded a grant for \$14,826 to perform an archaeological site assessment, including recommendations on how to protect the site and artifacts from further erosion. This grant will assess the site conditions and stability of site 5DA.265 and help to determine if the site should be excavated again and identify areas to be avoided. The County will provide a cash match of \$1,647 with a project total of \$16,473.

The County will contract with ERO to perform this grant-funded assessment. ERO has demonstrated good stewardship of the County’s protection of cultural sites and preservation of artifacts. Due to the recent reevaluation of the collection by ERO, they have unique knowledge of the site and ability to maintain consistency with the documentation and collection of artifacts.

IV. RECOMMENDED ACTION

Staff recommends approving the public contract for services between ERO and the Board for \$16,473 as it complies with all County approval standards and policies.

2. **Automobile Liability:** Insurance Services Office Form covering, Code 1 (any auto), or if CONSULTANT or CONTRACTOR has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than **\$1,000,000** per accident for bodily injury and property damage.

Any insurance proceeds in excess of or broader than the minimum required coverage and/or minimum required limits, which are applicable to a given loss, shall be available to the COUNTY. No representation is made that the minimum Insurance requirements of this agreement are sufficient to cover the obligations of the CONSULTANT or CONTRACTOR under this agreement.

OTHER INSURANCE PROVISIONS:

The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status. Douglas County, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONSULTANT or CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. insurance maintained by Douglas County, its officers, officials, employees, or volunteers shall be excess and non-contributory to the CONSULTANT or CONTRACTOR's insurance.

Notice of Cancellation. Each insurance policy required above shall state that **coverage shall not be canceled, except with notice to Douglas County.**

Waiver of Subrogation. CONSULTANT or CONTRACTOR hereby grants to Douglas County a waiver of any right to subrogation which any insurer of said CONSULTANT or CONTRACTOR may acquire against Douglas County by virtue of the payment of any loss under such insurance. CONSULTANT or CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not Douglas County has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions, Deductibles and Coinsurance. The CONSULTANT or CONTRACTOR agrees to be fully and solely responsible for any costs or expenses as a result of a coverage deductible, coinsurance penalty, or self-insured retention. Douglas County may require the CONSULTANT or CONTRACTOR to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or Douglas County. The CONSULTANT or CONTRACTOR will indemnify Douglas County, in full, for any amounts related to the above.

Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to Douglas County.

Claims Made Policies. If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
2. Insurance must be maintained and evidence of insurance must be provided *for at least three (3) years after completion of the contract of work.*
3. If coverage is canceled or non-renewed, and not *replaced with another claims-made policy form with a Retroactive Date* prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of *three (3) years* after completion of contract work.

Verification of Coverage. CONSULTANT or CONTRACTOR shall furnish Douglas County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by Douglas County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONSULTANT or CONTRACTOR's obligation to provide them. Douglas County reserves the right, but not the obligation, to review and revise any insurance requirement, not limited to limits, coverage, and endorsements. Additionally, Douglas County reserves the right, but not the obligation, to review and reject any insurance policies failing to meet the criteria stated herein. Failure on the part of the CONSULTANT or CONTRACTOR to provide insurance policies within ten (10) working days of receipt of the written request will constitute a material breach of contract upon which Douglas County may immediately terminate this contract.

The completed certificates of insurance with additional insured endorsements and waivers of subrogation and any notices, within 20 days of cancellation, termination, or material change will be sent via mail or e-mail to:

Douglas County Government
Attn: Risk Management
100 Third Street
Castle Rock, Colorado 80104
risk@douglas.co.us

Subcontractors Consultant or Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONSULTANT or CONTRACTOR shall ensure Douglas County is an additional insured on insurance required from subcontractors.

The CONTRACTOR will not be relieved of any liability, claims, demands, or other obligations assumed by its failure to procure or maintain insurance, or its failure to procure or maintain insurance in sufficient amounts, durations, or types. Failure on the part of the CONTRACTOR to procure or maintain policies providing the required coverage, conditions and minimum limits will constitute a material breach of contract upon which Douglas County may immediately terminate this contract.

Governmental Immunity. The parties hereto understand and agree that Douglas County is relying on, and does not waive or intend to waive by any provision of this Agreement, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. §§ 24-10-101 *et seq.* as from time to time amended, or otherwise available to Douglas County, its officers, or its employees
