SUBJECT: DECEMBER 2024 PARKS, TRAILS, AND BUILDING GROUNDS UPDATE TO THE

**DOUGLAS COUNTY ADVISORY BOARDS** 

### **SUMMARY**

This is an update for the Parks Operations Team for December 2024.

### **Baseball Field Renovations**

Providing safe, playable fields is a high priority for the Parks Division. Parks staff maintains 6 natural surface Baseball fields across the County. The infield material is a specially formulated mix of aggregates that provides a firm base yet still allows the top layer of material to remain loose. Maintaining this type of surface involves regular inspection of the material to determine if the consistency is safe for the participants. Over time, the infield material breaks down and doesn't provide a safe surface for the participants.

The baseball field at DuPont Park was recently renovated by replacing the worn-out material with new infield mix. The new surface material was laser-graded and new base pegs were installed, creating a safe surface for all participants.

## **CDL Training**

Due to the nature of equipment that the Parks staff operates, it is necessary for them to obtain a Commercial Driver's License. Once they obtain the learner's permit, they are trained in-house by staff that have already received the license. After practicing and studying the requirements, staff then goes to a testing facility to obtain the license.

Currently 4 Parks Technicians are participating in the training and 4 more will start later in the year.

SUBJECT: RUETER-HESS RECREATION UPDATE FOR DECEMBER 2024

### **SUMMARY**

This is the Rueter-Hess Recreation update for December 2024.

### **UPDATES**

#### **Rueter Hess Trail Run**

On Saturday, December 7th, the Rueter Hess Rangers assisted with a 6K run that included the Incline Challenge. Due to heavy snowfall in Douglas County in November, the race had to be rescheduled multiple times to ensure safe trail conditions for runners and to minimize impact on the trail itself. In the lead-up to the event, the Rangers were actively hiking the trails to assess and communicate trail conditions. On race day, a Ranger was stationed on the trail to serve as a point of contact for runners, providing assistance if needed, and answering any questions they had. Although the race was designated as informal, Run Uphill Racing is planning to host a formal race in the spring.

#### **Swearing in Park Rangers**

On December 19, 2025, Parks, Trails, and Rueter-Hess Park Rangers were officially sworn in by the Douglas County Sheriff Darren Weekly. This collaborative program works closely with the Sheriff's Office, division technicians, and other first responders to ensure safe and enjoyable outdoor recreation for all visitors. Trained in both recreational management and public safety, park rangers play a vital role in maintaining and protecting Division-managed properties.

## **OPERATION AND MAINTENANCE UPDATES**

- Inventorying all equipment
- New Park Rangers commissioned
- Piloting Survey 123 Patrol Logs
- Working on Sign Manual
- Completed Communication Training with Sheriff's Office Dispatch
